

*Proceedings of the Madras Government, Revenue Department,
19th August 1871.*

No. 174. Read the following Proceedings of the Madras Government, Public Department, dated 11th August 1871, No. 1,223:—

Read the following letter from the Reverend S. D. SCUDDER, M.D., in charge of Raneepett Dispensary, to the Chief Secretary to Government, dated Arcot, 4th August 1871.

I HAVE long felt the need of having a copy of the *Fort Saint George Gazette* for the use of the dispensary under my charge. May I beg that you will kindly place my request before the Government that I may be allowed to have a copy of the gazette free of charge.

2. When Mr. Thacker, Veterinary Surgeon, left for England, he placed in my hands a large quantity of the medicine used by him in diseases of cattle, and requested me to send a portion of it now and then to the different Collectors in the Presidency. I would suggest that a notice be inserted in the Government Gazette, that this cattle medicine is available, and will be sent to any place on application to me at Arcot. If I knew where it was needed most, I should at once forward it, but being ignorant as to the districts where cattle-disease prevails, I am at a loss in the matter. The reason Mr. Thacker left the medicine in my hands is, because I have always had the medicine made for him here, and was accustomed to despatch it according to his directions.

3 I shall be deeply obliged if the Government will kindly accede to my request, and grant me a copy of the gazette for the use of my dispensary.

ORDERED that a copy of the *Fort Saint George Gazette* be furnished to Dr. Scudder for the use of the Raneepett Dispensary free of charge.

2. Paragraph 2 of Dr. Scudder's letter will be referred to the Revenue Department for the issue of the necessary orders.
