

*Proceedings of the Madras Government, Revenue Department,
21st August 1871.*

No. 224. Read the following Proceedings of the Board of Revenue, dated 9th August 1871, No. 3,354:—

Read the following letter from the Officiating Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Tranquebar, 24th July 1871, No. 221.

With reference to the Order of Government marginally noted, I have the honour to state that up to this time I have not been able to depute any officer in this district for determining the limits, etc., of the several unions, as directed in paragraph 6 of the above order. The order of the Director of Public Instruction, stating that the Deputy-Inspector of Schools had been directed to act in concert with the Revenue-officer to be deputed for the same purpose, only reached this Office on the 25th May, and the only Assistant then in the district was Mr. Nicholson, and who was then, in addition to his other duties, busily engaged in preparing for his examination in June. Mr. Cruickshank and Mr. Bird were also quite new in their respective charges; as the Board are aware the duties of these officers are in a district like this at all times sufficiently onerous, and this year in addition to ordinary work, that connected with the Census had to be attended to.

2. Since his examination and return to Combaconum Mr. Nicholson has, however, been directed to make a beginning in the proposed unions in the Combaconum, and as heavy pressure of other duties, I see no prospect of being able to get through the work as speedily as is desired, I now request the Board will be pleased to recommend to Government that I should be provided with another able and experienced Assistant to whom this work might satisfactorily be entrusted.

SUBMITTED for the orders of Government.

No. 225. ORDER THEREON, 21st August 1871, No. 1,434.

Miscellaneous.

If the Collector will refer to the Civil List, he will see that it is not possible to comply with his application.
