*Proceedings of the Madras Government, Revenue Department,
28th August 1871.*

No. 307. Read the following letter from the Acting Director of Revenue Settlement, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Poddatore, 17th July 1871, No. 1,433-44:—

I HAVE the honour herewith to submit a bill for travelling allowance incurred by Mr. J. H. Cook on proceeding to take up his appointment as an Officiating Assistant Director of Revenue Settlement in the Cuddapah District, and to request that sanction may be accorded for drawing the amount, viz., Rs. 47-5-0.

2. Hitherto the Assistants of this department have not received travelling allowance on first appointment, and on ordinary transfer from one district to another the Government having in their Proceedings of 30th January 1861, No. 239, declined to accede to the late Mr. Newill's application on their behalf; and subsequently also, on Mr. R. E. Master mooted the question, the Government apparently overlooked this point, and merely sanctioned the grant of travelling allowance to Assistants compelled, in consequence of the *division* of their parties, to travel from one district to another on duty—*vide* G. O., 27th July 1863, No. 1,390. I understand that the Assistants in the Survey Department draw travelling allowance on transfer, and I request that a similar indulgence may be extended to officers of a similar grade in my department. Under Government of India Order, 10th September 1858, No. 592, Financial, they are, it appears to me, clearly entitled to such allowance when removed from one station to another to meet the exigencies of the service.

No. 308. ORDER THEREON, 28th August 1871, No. 1,475.

Miscellaneous.

THE charge of Rs. 47-5-0 is sanctioned.

2. The Government also sanction payment of travelling allowance in future to Assistants in the Settlement Department transferred from one district to another to meet the exigencies of the public service, and not by reason of misconduct or on promotion or at their own request.

3. The Government are not prepared to grant the allowance on first appointment.
