*Proceedings of the Madras Government, Revenue Department,
31st August 1871.*

No. 356. Read the following Proceedings of the Board of Revenue, dated 17th August 1871, No. 3,503:—

Read the following letter from the Commissioner of the Nilgiris, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 2nd August 1871, No. 15.

WHEN the Lawrence Asylum occupied Stonehouse the Principal leased the ground attached to it for potato cultivation. Subsequently the Public Works Department took charge of the premises and continued the practice. The Executive Engineer made partial collections and carried them to the credit of Government from time to time.

2. Last year the building was handed over to me, and with it the different leases showing outstandings amounting to Rs. 750. I took immediate steps for the recovery of this sum, and am still engaged in doing so.

3. The object of this reference is to solicit the permission of the Board of Revenue to my showing all collections on this head in future in the Register of Revenue deposits. I wish also to be authorized to withdraw at any time any sum for the purpose of employing the money exclusively on the repair of roads and clearing of the Stonehouse ground and such like.

4. This clearing and repair has annually to be done about the time the Government are coming up, and I see no reason why the amounts collected from the potato cultivators, whenever sufficient, should not be so employed.

SUBMITTED for the sanction of Government.

No. 357. ORDER THEREON, 31st August 1871, No. 1,498.

Miscellaneous.

SANCTIONED.

2. The Commissioner will report what funds are now in hand.
