No. 358. Read the following Proceedings of the Board of Revenue, dated 8th August 1871, No. 3,341:—

Read the following letter from the Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 14th July 1871, No. 290.

An old channel called "Yerrakalva" in the talook of Anantapur some years ago ran through the lands of the village of Garasampully to those of Chegalrevu in the said talook. It is now in a ruined state. On a reference to the records it appears that the site of the channel was obtained in small portions for cultivation by the ryots of Garasampully between Fuslies 1270 and 1277 (1860 and 1867) on application, and it was accordingly incorporated in their puttahs; it does not, however, appear that the fact that the land formed a part of the old channel was brought to light at the time of its incorporation. The ryots of Chegalrevu were in 1867 permitted, on their requisition, to restore it at their own expense, but the work was not carried out. It now requires restoration, and the ryots of Garasampully object and refuse to give up the site even on remuneration, on the plea that it forms a part of their puttah-lands. The extent of the strip is acres 1-39-13.

2. Under these circumstances I wish to proceed against them according to the provisions of the Land Acquisition Act (X. of 1870), and request that you will be good enough to obtain the sanction of Government for the same.

3. I beg to enclose a Draft Notification for publication in the *Fort Saint George Gazette.*

Enclosure No. 1.—Draft Notification.

The Board resolve to submit this letter to Government with the recommendation that the Notification be adopted and issued.

2. Acres 1-39-13 of the bed of an old channel have been held for a few years by puttahdars. It is proposed to restore the channel, but the puttahdars refuse to give up their land.

No. 359. Order thereon, 31st August 1871, No. 1,499.

Miscellaneous.

The Government resolve to declare that the pieces of land referred to in the foregoing Proceedings are required for a public purpose under Section 6, Act X. of 1870. The following Notification will be published in the *Fort Saint George Gazette*:—

"Under the provisions of Section 6, Act X. of 1870 the Governor of Fort "Saint George in Council hereby declares that the under-mentioned plots of dry "and wet lands situate in the village of Garasampully in the talook of Anantapur "of the district of Bellary, and containing by a recent admeasurement one acre "thirty-nine goontahs and thirteen annas, be the same little more or less, and "being the pieces of lands particularly delineated and described in the plan kept "for inspection at the Office of the Collector of the said district of Bellary, are

"needed and required for a public purpose, viz., as a part of the site for the "restoration of an old channel in the said village of Garasampully, and shall be "taken by Government at the public expense."
