

No. 28. Read the following Proceedings of the Board of Revenue, dated 16th August 1871, No. 3,484 :—

Read the following letter from the Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated 17th May 1871, No. 116.

I HAVE the honour, with reference to Board's Proceedings dated 21st June 1870, No. 4,283, to forward a revised statement of compensation required for land taken up for the railway in this district, accompanied by copy of a letter from the Deputy-Collector on General Duty, dated 11th May 1871, No. 97, explaining the discrepancies noticed by the Board in their Proceedings under reply.

ENCLOSURE No. 1.

From the Deputy-Collector, to the Collector of Cuddapah, dated Jammalamudugu, 11th May 1871, No. 97.

As directed in your foot-note to Board's Proceedings dated 21st June 1870, No. 4,283, I beg to submit herewith a revised statement* of lands taken up for the railway and offer necessary explanation on each objected item.

* Original Statement returned.

2. The statement returned by the Board for revision was prepared originally by the late Deputy-Collector Royappah Puntulu, but fair copy of the statement was signed simply by Mr. Boyle.

3. In Case No. 1 Royappah Puntulu seems to have thought that land, assessed at Rs. 70-12-2, is sufficient compensation for the land taken up. I differ with him and recommend the grant of the land assessed at Rs. 82, being equal to that on the land taken up. This reduced the quit-rent of Rs. 16-8-6 fixed by Royappah Puntulu to Rs. 5-4-8. The rule laid down by the Board is, that an equivalent value of land should be given in lieu of that taken up for public purposes. Value of the land will have to be ascertained where compensation is to be given in land with reference to the assessment thereof.

4. In Case No. 9 the assessment on the land proposed to be granted falls below the assessment on the land taken up by 9 Annas. As the Inamdar justly requests to reduce his quit-rent by 9 Annas by reason that he is unable to select any more land, necessary entries to this effect are made in the revised statement.

5. In Case No. 51 the assessment on the land proposed to be given falls below that on the land taken up by Rupee 0-2-8. The Inamdar requests to reduce this sum of Rupee 0-2-8 in his quit-rent in the village of Chintacomma Dinnai in Cuddapah Talook. As I see no objection to comply with the request of the Inamdar, necessary entries are made in the revised statement to that effect.

6. In Case No. 54 the assessment on the land proposed to be given falls below that on the land taken up by Rs. 2-11-8. At the request of the Inamdar, land assessed at Rs. 2-11-8 in the village of Wontimittah in Sidhout Talook is to be granted to him to cover the deficiency. Necessary entries to this effect are made in the revised statement.

*Proceedings of the Madras Government, Revenue Department,
5th September 1871.*

7. In Case No. 55 the assessment on the land proposed to be given falls below that on the land taken up by Annas 14. The Inamdar expresses his inability to select fresh land to cover the deficiency, and requests to remit the quit-rent of Annas 8, which he is paying for his Inam in the village of Visvanadhapuram. Necessary entries are made to this effect in the revised statement.

8. In Case No. 62 the assessment on the land proposed to be given falls below that on the land taken up by 8 Annas. It is not known how the assessment on the land taken up was entered in the original statement as Rs. 2-14-9. The Inamdar, who is Curnum, states that his Inam assessed at Rs. 2-6-8 only was taken up, and that he has no claim to other land than that assessed at Rs. 2-6-8. Necessary corrections are made in the revised statement.

9. In Case No. 68 assessment on the land taken up is Rupee 0-12-7. Quit-rent of Rupee 0-6-0, only which he (Inamdar) is paying in the village of Vobannapett has been recommended to be remitted as compensation for the Inam taken up. The Inamdar now requests to remit quit-rent of another sum of 6 Annas which he is paying in the village of Gungapuram. He further relinquishes his claim to 7 Pies. Necessary entries are made in the revised statement to meet the wishes of the Inamdar.

10. In Case No. 84 assessment on the land taken up is Rupee 0-9-7, and that on the land proposed to be given is Rupee 0-8-4. The latter falls short of the former by Rupee 0-1-3. The Inamdar relinquishes his claim to Rupee 0-1-3 being unable to select fresh land.

11. In Case No. 87 the assessment on the land taken up is Rs. 5-3-2, and that on the land proposed to be given is Rs. 4-15-9. The difference is Rupee 0-3-5. The Inamdar has selected land assessed at Rupee 0-3-5 to be given to cover the deficiency. Necessary entries are made in the revised statement to grant land assessed at Rs. 5-3-2 in lieu of that taken up.

12. In Case No. 93 the assessment on the land proposed to be given falls short of that on the land taken up by Rupee 0-10-4. The Inamdar selected new land assessed at Rupee 0-13-3. Of this, land assessed at Rupee 0-10-4 is now recommended in the revised statement to be granted to cover the deficiency of Rupee 0-10-4, and the remaining Rupee 0-2-11 is charged as quit-rent in column 13.

13. Case No. 109. Assessment on the land proposed to be given falls short of that on the land taken up by Rupee 0-4-6. The Inamdar relinquishes his right to the deficiency by reason that he is unable to select fresh lands, and that he is not paying any quit-rent to get it reduced.

14. Case No. 114. Assessment on the land proposed to be given falls short of that on the land taken up by Rupee 0-4-0. The Inamdar relinquishes his right on the grounds set forth in the previous case.

15. Cases Nos. 53, 115, and 116. In these cases the assessment on the land proposed to be given exceed that on the land taken up as follows:—

					RS.	A.	P.
In Case No.	53	...	...	...	0	1	6
"	"	115	...	...	0	1	1
"	"	116	...	...	0	5	2

Royappah Puntulu seems to have thought that the excess lands also may be granted in lieu of that taken up. As this is contrary to rules the assessment on the excess is entered in the revised statement as quit-rent.

16. In Cases Nos. 13, 14, 15, 16, 22, and 33 to 49, money-compensation proposed to be given is less than the estimated value. Royappah Puntulu seems to have thought that the proposed compensation is reasonable. As this is contrary to rules, compensation equalizing the estimated value is entered in the revised statement.

17. In Case No. 19 the proposed compensation exceeds the estimated value by Rs. 1-7-0. Royappah Puntulu seems to have considered the proposed compensation as reasonable. As this

*Proceedings of the Madras Government, Revenue Department,
5th September 1871.*

is contrary to rules the proposed compensation is reduced to the estimated value in the revised statement.

18. Case No. 2. The rate of 6 Annas in the Rupee has been thus obtained. The land is a portion of an enfranchised Agraharam known as "Teruvengala Naudha Rauzapuram." The full assessment of the village is Rs. 300-13-2. As the Agraharamdar requested the late Deputy-Collector to remit the quit-rent on the land taken up, the Deputy-Collector in order to find out what is the quit-rent on the land taken up, divided the quit-rent of Rs. 109 levied on the entire village by the full assessment of 300 Rs. The result of this calculation shows that quit-rent was levied on the village at Annas 5-9 in the Rupee of the full assessment. With a view to make up the round sum the Deputy-Collector has adopted the rate of 6 Annas in the Rupee.

19. Case No. 5. The reduction of quit-rent should be equal to the full assessment on the portion lost to the Inamdar. But the late Deputy-Collector seems to have considered that the round sum of Rs. 200 should stand as quit-rent payable by the Shrotriendmar after deducting quit-rent on the land taken up. As the Board object to it the revised statement is prepared so as to be consistent with their orders.

20. Case No. 58. The land is taken up in the village of Visvanadhapuram. As the Inamdar has no Inam lands bearing quit-rent in the same village, the assessment on the land taken up has been proposed to be remitted in the quit-rent on his Inam in the village of Vutkur. This was distinctly entered in the original statement in column 10.

21. The statement does not contain any compensation on account of loss of produce.

ENCLOSURE No. 2.—Revised statement of compensation for land taken up for railway purposes.

SUBMITTED for the sanction of Government.

2. For acres 347-36-3 $\frac{1}{2}$ of Inam land, assessed at Rs. 462-10-2, taken up for railway purposes, it is proposed to grant compensation as follows:—

I. A fresh grant of acres 316-17-5, assessed at Rs. 426-6-7, subject to a quit-rent of Rs. 157-3-10.

II. A reduction of quit-rent amounting to Rs. 154-8-3.

III. Money-compensation once for all, Rs. 566-12-9.

Proceedings of the Madras Government, Revenue Department,
5th September 1871.
