No. 96. ORDER THEREON, 8th September 1871, No. 1,553.

Irrigation, No. 1.

THE Government do not consider that the G. Os. quoted relieve the Irrigation grant from the liability effectively to restore means of communication, which are interrupted by recent irrigation works.

2. Orders will be issued in the Department Public Works that future estimates for irrigation works must include suitable provision for bridges, wherever existing lines of communication are crossed by them.
