

*Proceedings of the Madras Government, Revenue Department,
11th September 1871.*

No. 122. Read the following letter from the Collector of Tinnevelly, to the Under-Secretary to Government, Fort Saint George, Ootacamund, dated Tinnevelly, 31st August 1871, No. 369 :—

In reply to your Circular Memorandum No. 166, dated 24th August 1871, I have the honour to inform you that I think our printing operations might be greatly abridged with advantage. The return you allude to might be prepared in manuscript, and circulated to all officials, as none of the other subscribers are in the least degree interested in it.

2. Acts, Government Rulings, Board's Circulars, Proceedings of the High Court, and Notices of Departments at Madras, that are required to be published in District Gazettes might be printed at Madras once for all, as the labour of setting them up in every Zillah in the country is enormous, and our scanty establishment here has to work day and night at times to prevent the accumulation of arrears. The accompanying list shows what, in my opinion, might have been excluded from the Gazette, or set up in type at Madras during the past eight months of the current year:—

Might be excluded from the Gazette.

	Pages.
Monthly return of released prisoners (not required in print by Police)	8
Despatch of revenue and magisterial business	40
List of arrivals and departure of vessels	8
Monthly income and expenditure of Civil Dispensary	8
Return of sales of movable and immovable property	30
Detailed register of deaths	16
	110

Might be set up at Madras.

Board's Circular orders	36
Notice regarding Prince of Arcot's debts	2
Narrative of cattle-disease, mode of feeding calves, Madras Agri-Horticultural Prize Lists, etc.	10
Income-tax rules	5
Special and General Test Examinations	3
Government Rulings and High Court Proceedings	8
	64

No. 123. ORDER THEREON, 11th September 1871, No. 1,567.
Miscellaneous. REFERRED to the Board of Revenue, with the memorandum under reply, for their remarks.

2. The Collector's suggestion that certain matter, which is published in the District Gazettes should be printed once for all in Madras is impracticable.

Official Memorandum

The Under Secretary to Govt Revenue Department is directed to call the attention of the Collector of Tinnevely to the expense entailed by printing so voluminous a supplement to the District Gazette as that which accompanies the issue of July 29th. The supplement in question consists of 14 pages of close tabular statements showing in full detail the extent of Revenue and Magisterial business transacted in the district in March & April. It appears to the Govt that this information, however useful it may be for purposes of administration, cannot interest the majority of the subscribers to the Gazette. The Collector is therefore requested to report whether the supplement referred,

referred to cannot be discontinued
or abridged.
