

*Proceedings of the Madras Government, Revenue Department,
11th September 1871.*

No. 147. Read the following Proceedings of the Board of Revenue, dated 31st August 1871, No. 3,758:—

Read again Government Order, dated 13th May 1871, No. 845.

Read also the following letter from the Conservator of Forests, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 4th August 1871, No. 439.

ADVERTING to the Proceedings of the Board of Revenue, dated 8th June 1871, No. 2,323, I have the honour to forward herewith two printed forms of Licenses and Way Permits. The former authorizes the holder to fell and remove a certain number of cart-loads of wood (for which he has already paid seigniorage into the Government treasury) to the nearest Tannah-station, where it is retained and returned to the Range Officer by the Tannah Peon, whilst the latter is used by wood-cutters when carting wood to the market dépôt. If the proprietors of private jungles could be induced to use similar printed forms of Licenses and Way Permits, there can be little doubt that the working of both Government and private forests would be made easier, and the advantage of such a check against illicit felling and fraud would benefit private proprietors equally as well as it would our department.

ENCLOSURES Nos. 1 and 2.—Passes.

COPIES of the Passes issued by the Forest Department will be sent to all Collectors, and they will exert all their influence to get private proprietors of forests to use these or similar forms.
