

*Proceedings of the Madras Government, Revenue Department,
13th September 1871.*

No. 157. Read the following letter from the Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 23rd August 1871, No. 3,635:—

I AM directed by the Board of Revenue to submit, for the sanction of Government, the proposals made by Collectors with reference to paragraph 7 of Government Order, 18th April 1871, No. 700, Revenue Department, for reducing the Income-tax establishments sanctioned in Government Order, dated 7th December 1870, No. 1,963.

2. The Commissioner of the Nilgiris has no establishment.

3. First, as regards Collector's Huzoor establishments. Last year, Tanjore

Collector—

1 Clerk on Rs. 35.
1 Do. on „ 20.

5 Divisional Officers—

5 Clerks at Rs. 15 each.

was allowed seven Clerks, viz., two for the Collector and five for Divisional officers, as noted in the margin. Tinnevely had two Clerks, one on Rs. 20 the other on Rs. 15. Vizagapatam had one

Clerk on Rs. 20. Every other district had a Clerk on Rs. 35 at head-quarters.

4. The Collector of Tanjore proposes to dispense with four of the Divisional Clerks, reserving one for the Assistant Collector at Combaconum. The Collector of Tinnevely does not require the services of his second Clerk on Rs. 15, and the Collector of Vizagapatam, who actually entertained his Clerk only for six months last year, proposes to discontinue his Clerk for three months in this. The Collector of Bellary will discontinue his Clerk on the expiration of the period sanctioned in Government Order, No. 1,963, *supra*, and the Collector of Malabar states that he will require his Clerk only for a few months, without specifying any exact period. All the other Collectors are for the retention of their Clerks for the whole year.

5. Second, as regard talook establishments. Vizagapatam and Cuddapah

had none, all the rest had amongst them 106 Clerks. The result of the propositions of the several Collectors in regard to these is a reduction of this number to 58 in nine districts as noted in the margin. The Collector of Bellary states that he will be able to dispense with them in December 1871. It will be observed that, out of the Collectors who had establishments last year,* five do not want any in this, and that the others desire their continuance in whole or in part.

6. Third, as regards establishments attached to Sub-Magistrates in Zemin-

daries. There were in the districts named in the margin 35 Clerks and a similar number of Peons allowed last year. The Collector of Ganjam pro-

poses to dispense with three out of the six Clerks from 1st September 1871, and the Collector of Madura with one out of four, the Peons being retained in both cases. The Collector of Vizagapatam proposes re-entertaining the establishment of last year, but for a period of three months only against six in the last year. These several reductions will effect a considerable saving on last year's sanctioned scale.

7. The modifications alluded to above are exhibited in one view and in comparison with the scale of charges sanctioned for last year in the accompanying statement.

8. The Board are satisfied that the proposed modifications are on the whole very fair, and accordingly recommend them for the sanction of Government.

9. The Collector of Madras reports that no reduction of the Income-tax establishments at the Presidency is feasible; but it may be found necessary to alter it somewhat in view to the out-door collecting staff of officers being strengthened and the clerical portion of the office being reduced.

10. The total cost of establishments as now proposed, amounting to Rs. 35,352, can be fully met from the sanctioned Budget grant of Rs. 42,500.

11. This cost is calculated only to the end of the official year. The sanction of Government now solicited will, as usual, be for one year from the 1st of September 1871.
