*Proceedings of the Madras Government, Revenue Department,
13th September 1871.*

No. 166. Read the following Proceedings of the Board of Revenue, dated 27th July 1871, No. 3,133 :—

Read the following letter from the Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 8th July 1871, No. 273.

THE Board are aware that the Sub-Collector has no accommodation provided for his office at Ghooty.

2. Mr. Foster has lately been making use of a building in the town formerly a school, and then used by the Municipality for an office.

3. This building he states will very likely be now required by the Commissioners for a school under the new Act.

4. I have the honour to request that the Government may be urged to allot funds for the erection of the new Cutcherry, the design for which appears to have been a long time under consideration.

5. I beg to enclose copy of the Sub-Collector's letter. I should not advise the purchase of Mr. Barnett's house.

ENCLOSURE No. 1.

From the Sub-Collector, to the Acting Collector of Bellary, dated Ghooty, 6th July 1871, No. 326.

I HAVE the honour to inform you that the building I am at present occupying as Cutcherry will probably before long be required by the Ghooty town as a school. It belongs to the town, and was used as a school. Under the new Municipal Act will probably want a school-room.

When I am turned out of this building, it will be advisable to make some arrangement about my office.

3. There is no Government building available; the former office of the Deputy-Collector is now occupied by the Moonsiff.

4. It is but right that I should tell you that I believe the house I am now living in is for sale; it belongs to Mr. Barnett, the Railway Contractor.

SUBMITTED for the orders of Government.

No. 167. ORDER THEREON, 13th September 1871, No. 1,589.

Miscellaneous.

ORDERS will be issued in the Department Public Works for the preparation of a plan and estimate for a Sub-Collector's

Cutcherry at Ghooty, and, if possible, provision for the execution of the work will be made in next year's Budget.
