

*Proceedings of the Madras Government, Revenue Department,
15th September 1871.*

No. 197. Read the following Proceedings of the Board of Revenue, dated 31st August 1871, No. 3,753 :—

Read the following letter from the Acting Collector of Chingleput, to the Secretary to the Board of Revenue, dated Sydapet, 16th August 1871, No. 379.

I HAVE the honour to forward, for the Board's consideration and orders, the accompanying letter from the Acting Sub-Collector, dated the 2nd instant, No. 533. I am of opinion that the addition to the compound of the Sub-Magistrate's office proposed by Mr. Crole is highly desirable; and as the terms on which it is to be secured are fair and reasonable, I request the Board will accord their sanction, (1), to the payment of the money-compensation (Rs. 44), as recommended by Mr. Crole; (2), to my exempting fields Nos. 603 and 687, measuring in the aggregate cawnies 0-5-2, from the payment of any assessment to Government, and to their being incorporated with the Village Nattam for the future.

2. The charge on account of compensation may be met from the sum provided under Land-revenue, Contingencies in the sanctioned Budget for 1871-72.

ENCLOSURE No. 1.

From the Acting Sub-Collector, to the Acting Collector of Chingleput, dated 2nd August 1871, No. 533.

As the new Sub-Magistrate's Cutcherry and the sub-jail at Tirporoor has little or no compound, and is too closely surrounded by dwelling-houses which necessarily obstruct the free passage of air, and which consequently should, on sanitary grounds, be removed without loss of time, in January last I directed the Sub-Magistrate to find out whether the landlords were willing to part with their dwellings, and, if so, on what terms. From the two reports submitted by that officer I find that the removal of five houses is necessary, and that the occupants are willing to part with their lands

Annasami, owner of first house	...	Rs. 20	on payment of a moderate compensation of Rs.
Kulluppa Naiken, owner of second house	...	10	44 as detailed in the margin, and on condition
Venkammal, do. of third do.	...	3	of our giving them fresh sites selected by them
Ramasami, do. of fourth do.	...	5	free of assessment. They agree to no other
Sokkalingam, do. of fifth do.	...	6	terms. The place asked for by one of them, viz.,
Total..	44		Annasami, is a vacant house-ground within the

village site, and has evidently been in nobody's occupation for years. The village-officers have no objection to its being assigned to him. The sites desired by the rest are wet fields Nos. 603 and 687, measuring 0-3-2 and 0-2-0 cawnies in extent, and bearing assessment of Rs. 1-0-8 and 0-10-6 respectively. These are held on puttah by Kandaswamiyar, the sole Mirassidar of the village, and the agent of the churchwardens has agreed to give up for building purposes the fields in question without any compensation, provided the Swamiyar is exempted from paying the assessment thereon.

2. As the terms are reasonable and fair, and as the removal of these five houses is absolutely necessary for improving the ventilation of the Cutcherry and sub-jail, I have the honour to request you will be good enough to obtain sanction for the payment of the compensation of 44 Rs. and for the conversion of the fields Nos. 603 and 687, measuring, on the whole, 0-5-2 cawnies, assessed at Rs. 1-11-2, into a portion of the village-site, to be used for the purpose of the said buildings, and held free of assessment so long as they are used as sites for houses.

SUBMITTED to Government with the request that they will sanction payment of Rs. 44, in order that five houses which are too close to the Tirporoor Cutcherry and sub-jail may be removed.
