

*Proceedings of the Madras Government, Revenue Department,  
15th September 1871.*

No. 205. Read the following letter from Major R. H. BEDDOME, Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 28th July 1871, No. 423:—

WITH reference to the Government Orders No. 959 of the 28th June 1870 and No. 137 of the 29th May last, I have the honour to forward a report from the officer in charge of the Annamallay range on the old outstanding advances in that range. It appears that almost all the contractors concerned are dead, and the chance of recovery of any of the sums is very small; but as it is still possible that something may be recovered, I would recommend that a final report should be submitted by Mr. Douglas in January or February next, and that all sums, then not recovered, should be written off at the close of the official year.

No. 206. ORDER THEREON, 15th September 1871, No. 1,610.

Forests, No. 6.

THE Government will await the final report proposed by Major Beddome to be submitted in February 1872.
