Sir,

With reference to your Under Secretary's memorandum N^o 96 dated the 24th February 1882, I have the honor to inform you that the value of Cinchona Bark sent from the Government Plantations and sold in England is not credited in the books of this Office. Credit is taken for the value in the accounts of the Home Treasury, the Secretary of State merely furnishing this Government with the account of Sales.

SIR,

With reference to your Official
Memorandum, No. 186 dated the 25th April
1882, I have the honor to state that credit
was not hitherto given to this Government
for the Cinchona Bark of this Presidency
sold in England, owing probably to Cinchona
plantations being an Imperial head under
"XV Major Departments" up to 31st March 1882.

2. The Major head "XV Major Depart-
ments" is now wholly provincial and arrange-
ments can probably be made without diffi-
culty for crediting Provincial Revenue with
the sums received in England from sales
of Cinchona. As, however, the receipts in
question were not taken into consideration
when the Land Revenue percentage
assignment was fixed, a modification

of the assignment will be necessary in Com-
-munication with the Government of India.

With reference to your official
Income & Expenditure dated the 17th October 1882,
I have the honor to state that the proceeds
from local Cinnamon sales are credited to
XV Minor Departments Sale of Cinnamon plant
in the accounts of this office.

The amounts thus credited from
January to the 9th of October 1882 are
hereunder entered, as this office cannot
determine what portion of these amounts
should be considered as having been
realized by the particular sales in
January and September alluded to.

FINANCIAL DEPARTMENT,

28, CHOWRINGHEE ROAD,

The 5th April 1882.

Dear Sir,

13/43 W

In reply to your letter of the 20th ultimo, I am desired to say that no consignments of bark from the Chincona plantations at Darjeeling have lately been sent to England for sale. The last consignment was despatched to the address of the Secretary of State in May 1881.

As regards the adjustment of the sale proceeds of the bark sent, I am to say that the amounts realized were adjusted by the Secretary of State as Imperial Revenue, and were appropriated to the Provincial Government through the Imperial Allocation.

Yours truly

24th Apr / 82

According to the orders
on the note with G.O. 10th
February last no 212, the
Accountant General was
asked if any credit was
given to this Govt for the
amount realized by the
sale in England of the
Cinchona bark sent
from here. The Accountant
General reported that
the value of the bark was
not credited in the books
of his office but that credit
was taken in the accounts
of the Home Treasury.
Thereupon, in accordance
with the orders of the

Honble Mr. Huddleston
the Bengal Govt was
asked by A.S. how credit
was received by them
for the value of the bank
sent by them to England.
The reply of the Bengal
Govt is now submitted;
which is that the value
is adjusted by the Secy
of State as Imperial
Revenue and credit
afforded to the Provincial
Govt thro' the Imperial
Attachment.

Orders are now solicited
as to whether India
should be asked for
a fair share in the
profits or only for
credit for the amount,
which even it is pretty clear
it may be mentioned
that no account was
taken of the receipts
from the Chin-chens

would know of it.

To the Secretary to the Govt. of India
(Dept. of Finance & Commerce)

Sir,

It has been ascertained from the Accountant General that no credit has hitherto been given in the accounts of this Presidency for the amounts realized in England by the sale or manufacture of the Chinchorra bark shipped home from the Nilgiri Plantations, while it is understood that the Govt. of Bengal has been afforded credit through the Imperial allotment for the sale proceeds of the bark similarly sent home from their plantations at Dajeeeling.

2. From advice received from the Secretary of State who in a late despatch ^{to this Govt.} (No. 28 (Revenue) dated 15th Nov. 1881.) remarks with reference to the Nilgiri Plantations "in these, your Govt. possess a very valuable property" - it is found that during the last

C. O. B. for the date of

official year 1881-82. the
sum of $\text{£}36,318.13.8$ was
realized at home by the sale
alone of Hilgini Bark, besides
which ⁹²⁵⁰⁻⁸⁻¹¹ ~~the net~~
value of $\text{£}9,495.19.3$ was
manufactured, the total amount
of profit thus being $\text{£}45,814.12.11$. ^{8-8d.}

That credit has not hitherto
been given to Madras for these
receipts was probably due to
"Chinchona Plantations" having been
an Imperial head under IV

Minor Departments up to the
end of the last official year,
but now under the Decentralization
Scheme, these receipts fall to be
credited wholly to Provincial.

3. I am to mention that
"Imperial" has already more
than recouped its outlay on
Chinchona in this Presidency.

At the end of March 1883
the financial results of the
enterprise here, showed a net
surplus profit of $\text{Rs } 78,252-6-9$. ^{177,245-8-8}
as detailed in the annexed
Statement, which has been

* Late despatches do not give
amount realized but in
1882, 1883 bark valued at ~~Rs 2-39~~
Five lacs odd were sent home
that charges do not exceed
one lac. Hence net surplus
should to end of March 83 should be

further enhanced by the amount
of last year's receipts over
expenditure, probably exceeding
4 lakhs of Rupees. Not only
therefore has the whole Imperial
expenditure been repaid, but it
would appear that the Imperial
Exchequer has received, over and with
above the repayment with interest
of the total allotments made
to this Presidency, ^{between 4 & 5} nearly five
lakhs of Rupees.

4. In these circumstances, I am
directed to request that arrange-
ments may now be made for
crediting ^{Provincial Revenues} from the commencement
of the current official year with
the sums received in England
by the sale of, or with the
value of the products of, the
Chinchona bark consigned to the
Secretary of State from the
Hilgini Plantations.
