20th September 1871.*

No. 234. Read the following endorsement of the Secretary to Government, Public Works Department, dated Ootacamund, 11th September 1871:—

Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Madakserah, 15th August 1871, No. 936.

I HAVE the honour to request, with reference to the concluding portion of G. O. No. 1,011, dated 12th April last, that orders may be issued to the Collectors of the districts in this division for their conducting the Vernacular Examinations of officers and subordinates when requested by me to do so, as it may not at all times be convenient for me to do so, or to find a qualified officer of this department in the division whom I may depute for this duty.

2. From the file of papers on the subject, I find that Colonel Palmer, when in temporary charge of the division, during my absence on leave, addressed the Collectors of Cuddapah and Kurnool to arrange for conducting the examination under the authority conveyed in above quoted order.

3. The then Collector of Cuddapah, Mr. C. G. Master, expressed his willingness to do so, if the parties concerned presented themselves at Madanapalli, which was the station of his circuit camp at the time. The Collector of Kurnool, Mr. Chase, wrote to say that, without the sanction of Government or Board of Examiners, he had no authority for holding the examinations referred to.

4. In each case the matter was held over for the main reason that, even if the necessary direct order was obtained, the services of the subordinates, who had to present themselves, could not well be spared from their duties.

5. Of those who failed (*vide* G. O. No. 1,462, dated 30th May 1871,) I propose taking up three of them for a second examination during my present tour, and the fourth on my return to Bellary. This then will clear up with those in the Bellary District.

6. Those in the Cuddapah and Kurnool Districts, I will have to take up in a similar manner during my annual tour, unless it can be arranged, that the parties should go before the Collectors, and, pending the submission of the usual report to Government in reference to those who passed or failed, I must request that the order for the stoppage of ten per cent. on their salaries, (*Vide* paragraph 4 of G. O. No. 151, dated 13th January 1870,) may be held in abeyance, as neglect to pass within the prescribed date cannot be attributed to any of those who have to appear, and whose names are entered in the list submitted with my letter No. 2,547, dated 9th March 1871.

REFERRED to the Revenue Department for consideration, with reference to paragraph 1.

(Signed) J. CARPENDALE, Colonel, R.E.,  
Secy. to Govt., P.W.D.

ORDER THEREON, 20th September 1871, No. 1,625.

Miscellaneous.

THE Government are willing to authorize all Covenanted Revenue Officers to aid Superintending Engineers, at their request in holding the colloquial examination of Public Works Officers in the Vernacular language of their districts, on the understanding that the permission must not interfere with their regular official arrangements.

77 Villages from North Arcot and 1870, the transfer of Villages as per margin was 20 from Madurantacam recommended to Cojeveram Taluq.

2. Though the transfer in the first instance was proposed by the Superintendent of Revenue Survey, yet for certain reasons communicated by him he was desirous that the transfer should be postponed for a time.

3. The Government, in G. O. No. 385 of 3rd March 1871, directed that the matter should lie over.

4. As the reasons which rendered the postponement of the consideration of the question advisable, no longer exist, and as the mapping & numbering of the Taluqs of Cojeveram and Madurantacam cannot be completed till the transfer of these villages has been decided, I have the honor respectfully to request that the subject may receive the consideration of Government as soon as possible.
