

Proceedings of the Madras Government, Revenue Department,
21st September 1871.

No. 244. Read the following Proceedings of the Board of Revenue, dated 31st August 1871, No. 3,757:—

Read the following letter from the Acting Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chatterpore, 3rd August 1871, No. 996.

ADVERTING to the Notification of the Government of India, dated 15th June last, No. 2,931 (republished at page 1062 of the *Fort St. George Gazette*, dated 27th idem), which requires that all Uncovenanted Servants shall retire from the service on attaining the age of fifty-five years, I have the honour to request that the Board will obtain permission for an exception to be made in the case of G. Balaramaiya Puntulu, Tahsildar of Berhampore.

2. The Government can, under the Notification in question, allow an officer to continue in the service till he has attained the age of sixty years, and, if in any case it is considered desirable that an officer should continue in the service for a still further period, the case is to be specially referred for the previous sanction of the Government of India.

3. G. Balaramaiya Puntulu is now fifty-nine years old, and with the sanction of Government he can remain on for another year, but I am of opinion, from all I have heard of this officer, that a further exception may properly be made in his case, and that he should be retained in his appointment even after the expiration of that period.

4. Two, if not all, Members of the Board are much ~~less~~ ^{more} able than I am possibly be to decide whether my proposal is a desirable one, and for how long a period G. Balaramaiya Puntulu may be allowed to remain with advantage to the public service. He has, I am informed, done excellent work both in the Gumsur and Berhampore Talooks; and he is still capable, to all appearance, of conducting his duties as Tahsildar with energy. At this juncture, when so much has to be done in connection with the introduction of the Local Funds Act, his assistance and local knowledge will be invaluable.

THE Board resolve to submit this application for the favourable consideration of Government with their strongest support, Balaramaiya being well known to all three members.

2. The Board believe it to be desirable, in the interest of both Government and the people, that he should be allowed to retain his post, say, for five years longer.

No. 245.

ORDER THEREON, 21st September 1871, No. 1,630.

Miscellaneous.

THE case will be recommended for the sanction of the Government of India.

Secretary to Government.
