In reply to the Board's Proceedings dated 22nd ultimo, No. 3,069, I have the honour to forward two plans and one estimate for Rs. 2,743 for the two new platforms therein referred to, as prepared by the Salt Deputy-Collector who states that he will, if allowed, undertake the construction of the same.

2. I also enclose copy of his letter from which it will be seen that no additional strength of Police guards is required.

Enclosure No. 1.

From the Deputy-Collector in charge of the Salt Department, to the Collector of the Godavery District, dated Pathalagada, 11th August 1871, No. 28.

In reply to your memorandum No. 249, dated 9th instant, I have the honour to inform you that I can undertake the construction of the two platforms alluded to therein.

2. I enclose two plans and one estimate for the above works as directed by you.

3. No additional strength of Police guards will be required for these platforms, as, on their construction, two other platforms (Jakkoova and Chittayapora) will be abandoned, and the men now employed thereon will be available for duty on the new platforms.

4. To avoid confusion and further reference I enclose a copy of the estimates originally sanctioned by the Government, and I beg to point out that the items marked thus × in the copy belong to the one platform, in lieu of which the above two platforms are proposed to be built, and that the total of those items exactly corresponds with the amount of the estimate now submitted for sanction.
