Proceedings of the Madras Government, Revenue Department, 25th September 1871.

No. 320. Read the following Proceedings of the Board of Revenue, dated 13th September 1871, No. 3,944:—

Read the following letter from the Acting Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 22nd August 1871, No. 212.

A VESSEL bringing salt for the Travancore Circar from the Travancore salt-pans at Tamarakulam to Alleppie and Quilon has been driven by the monsoon into the British Cochin harbour.

2. The contractor has petitioned to be allowed to land the salt and convey it by backwater to Travancore, without paying the Import-duty imposed by Act XIII. of 1871.

3. In a precisely similar instance this was allowed to be done (*vide* Board's Proceedings dated August 4th, 1860, No. 3,604), and I have the honour to request that the case may be submitted to Government, with a view to their exempting the salt from the payment of duty, under the authority given by Section 19 of Act VI. of 1863.

SUBMITTED for the sanction of Government under the provision of the consolidated Customs Act quoted by the Collector.

No. 321. ORDER THEREON, 25th September 1871, No. 1,666.
