No. 336. Read the following Proceedings of the Board of Revenue, dated 30th August 1871, No. 3,735 :—

Read the following letter from the Acting Collector of Madura, to the Acting Secretary to the Board of Revenue, dated 7th August 1871, No. 232.

I HAVE the honour to report that the Accountant-General has requested me in his letter No. 2,779, dated the 25th ultimo, to transfer to the Agent of the Madras Bank at Madura, on application, the cash balance in this treasury, with reference to the Order of Government in the Financial Department, dated the 17th ultimo, No. 291. I submit herewith a statement showing the reduction that may be effected in the establishment of the Treasury Department. The monthly cost of the proposed establishment is 10 Rs. less than that sanctioned for the Kistna District in Government Order, Revenue Department, dated 22nd March 1871, No. 523.

2. I propose that the Cash-keeper be left in receipt of his present allowance till he retires, which he will shortly be obliged to do on account of his age.

ENCLOSURE No. 1.—Statement.

THE Government cash balance and with it the treasury-work having been recently taken over by the branch of the Madras Bank recently established at Madura, the Acting Collector now submits for sanction the reduced scale of treasury establishment which he proposes to retain for the future.

2. The proposed scale of establishment exceeds by Rs. 20 those allowed for the districts of Godavery and Bellary, and falls short of that sanctioned for Kistna under similar circumstances by Rs. 10.

* 1 Cash-keeper	70
1 Accountant	25
1 Do.	20
1 Shroff	20
2 Gollahs, at 8 Rs. each ...	16
Total ...	151

3. The Board recommend that the proposed* establishment, at a cost of Rs. 151 per mensem, be sanctioned. A saving of Rs. 149 per mensem is the result.

4. The present Cash-keeper, who is reported to be aged, will, as usual in such cases, be permitted to draw the present rate of salary till he retires.

5. The Board observe that in Mr. Pelly's sanctioned scale of establishments for Madura two Gollahs on Rs. 7 each were attached to the treasury; from the Collector's list only one would appear to have been actually employed in that department. The Collector is requested to report whether the fourth Gollah on Rs. 7 was never employed, or whether he is attached to some other department. In the latter case this sum of Rs. 7 ought to be added to the savings.

No. 337. ORDER THEREON, 25th September 1871, No. 1,674.

Miscellaneous.

THE Government do not see that Madura can need a larger Treasury establishment than the Bellary or Godavery

District, and the Government of India have recently objected to the Kistna establishment as being too large. The Shroff on 20 Rs. is therefore disallowed, and sanction is granted for the remaining establishment at the monthly cost of Rs. 131,† subject, however, to revision when the report called for in the Order of Government dated 8th September 1871, No. 1,559, is received.

2. Sanction is also granted for the retention of the Cash-keeper on his present pay till he retires, on becoming superannuated which he will shortly be.
