I HAVE the honour to represent that separate forest officers having been placed in charge of the North Arcot and South Arcot forests and Trichinopoly and Tanjore railway fuel plantations, an office establishment for each of these ranges is indispensably requisite. I beg to solicit further that, in the event of my request being acceded to, provision for the above establishments may be made at the Government Office in the budget-estimates of the department for 1872-73, which have been forwarded to the Accountant-General, who will submit them to Government in due course.

No. 407. ORDER THEREON, 30th September 1871, No. 1,709.
