Proceedings of the Madras Government, Revenue Department, 2nd October 1871.

No. 6. Read the following Proceedings of the Board of Revenue, dated 18th September 1871, No. 4,006 :—

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 19th August 1871, No. 296.

With reference to a letter from the Government to the Resident in Hyderabad, No. 268, dated 29th August 1870, (copy of which was sent to me,) I have the honour to report the Talookdar of Kammam-mett in the Nizam's territory, reported to me his arrival at Aswarowpetta in March 1871, to settle the boundary disputes between the villages of the Yernagudem Talook and those of the Nizam's territory.

2. I referred the Talookdar's letter to the Acting Sub-Collector, who, in company with the Talookdar, settled the disputes amicably. A copy of the Acting Sub-Collector's letter,* together with translations of the settlement papers, showing the marks which have been put on the boundary line as agreed to by Mr. Gribble and the Talookdar, are herein enclosed.

* 24th April, No. 66.

3. Mr. Gribble states that the cost of permanent boundary marks of stone will be Rs. 292-8-0, at Rs. 2-4-0 per stone. Half of this to be borne by Government, and the other by the Nizam's Government.

4. I therefore request orders for fixing marks at the above cost, and that the Nizam's Government may be addressed in order to obtain the payment of their share, viz., Rs. 146-4-0.

Enclosure No. 1.

From J. D. B. GRIBBLE, Esq., Acting Sub-Collector, to the Collector of the Godavery District, dated Potaveram, 24th April 1871, No. 66.

With reference to your letter of the 8th March last, No. 30, and its enclosure, herewith returned, I have the honour to inform you that I proceeded to Jilugumilli, and, in company with the Talookdar at Aswarowpetta, visited the disputed boundary line. After a great deal of discussion and inspection of documents on both sides, we amicably settled the disputes which have been going on for several years between the villages of the Yernagudem Talook and those of the Nizam's territory. The enclosed copies of papers that were executed by myself and the Talookdar will show the manner in which the dispute was settled, and the places where marks have been put on the boundary line according to the new settlement. It is desirable that permanent boundary marks of stone, with marks* engraved thereon, should be put at once ; the cost of the same is estimated to be Rs. 292-8-0, at Rs. 2-4-0 per stone, for 130 marks, as will be seen from the estimate herewith submitted. It was mutually agreed by myself and the Talookdar that both Governments should equally bear the above cost. I have therefore the honour to request that you will be good enough to obtain sanction for Rs. 146-4-0, and address the Nizam's Government to place the other half at my disposal as early as possible.
