No. 144. Read the following Proceedings of the Board of Revenue, dated 3rd October 1871, No. 4,235 :—

Read the following letter from the Collector of Kurnool, to the Secretary to the Board of Revenue, dated 13th September 1871, No. 294.

WITH reference to Board's Proceedings No. 3,426, dated 14th August 1871, I have the honour to submit the following report on cattle-disease.

2. The disease (Musera) broke out in four* villages of the Koilkuntla Talook in the months of July and August 1871 in a virulent shape, and carried off 132 cattle out of 248 that were attacked.

* Annavaram. | Owk.
Cherlapally. | Bandarlapally.

3. No medical treatment was resorted to in the three villages first named. Segregation was adopted to some extent.

In the hamlet of Bandarlapally Dr. Thackêr's medicine was administered to 4 out of 20 that were attacked ; of these, two died and the other two recovered.

4. I beg to enclose, for the information of the Board, a statement of the number of cattle attacked, the number that died, recovered, etc.

STATEMENT showing the names of the villages, the number of the cattle attacked with disease, died, etc., in the Kurnool District.

KURNOOL,
13th September 1871.

(Signed) T. A. N. CHASE,
Collector.

SUBMITTED for the information of Government.

2. The Board hope that the Collector will be able to persuade the inhabitants of the district to adopt Dr. Thacker's instructions for segregation in their entirety, and to use the medicines prescribed by him.

3. The Collector is requested to state whether ryots have facilities generally for purchasing sulphur, the use of which was found to be so effectual as described in the extract from the *Mysore Gazette*, communicated to all Collectors by the Board in Official Memorandum dated 22nd August 1871, No. 1,118, and, if so, whether it is so cheap as to be generally available for the purpose.
