Proceedings of the Madras Government, Revenue Department, 4th October 1871.

No. 30. Read the following Proceedings of the Board of Revenue, dated 15th September 1871, No. 3,981 :—

Read the following letter from the Acting Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 6th September 1871, No. 246.

ADVERTING to paragraph 3 of the Government Order No. 964, dated the 29th June, communicated with the Board's Proceedings No. 5,112, dated the 1st August 1870, I have the honour to request that you will be good enough to take the requisite steps in view to the annual deduction of Rs. 63,790 being made from the revenue of the district, and the amount in question being placed at the credit of the Village Service Fund. As the collections on hand have already been spent in paying the salaries of the village establishments, and no kists will be due before November next, I shall feel obliged by your obtaining and communicating to me the Board's early orders on the subject.

THE Board do not see that instructions are needed on the subject.

2. The annual deduction from the revenue of the district, in lieu of the old Cutlay Shelavoo or village servants' cash payment, now absorbed in the assessment, amounting to Rs. 63,790, has been already authorized by Government in the order quoted by the Collector, and it was distinctly stated in that order that it was to form a component part of the General Fund from [illegible] be supplemented.

3. The deduction should have been made in Fusly 1280 (1870-71). As it is now too late for this, it should be done in the present Fusly 1281.
