Proceedings of the Madras Government, Revenue Department,

4th October 1871.

No. 36. Read the following Proceedings of the Board of Revenue, dated 22nd September 1871, No. 4,065:—

Read the following letter from the Acting Collector of Bellary, to the Secretary to the Board of Revenue, dated 29th August 1871, No. 339.

THE Talaries of Yeradakera village of Raidrug Talook complain that part of their Service Inam has been cultivated by the ryots of the village for some years, and request that a fresh grant in land may be assigned in lieu of that they have lost. Inquiry in the matter shows that out of their Inam acres 8-16-8 of dry land has been gradually taken up by the ryots for wet cultivation from 1839 to 1855, and has since been included in their puttahs. Compensation in land to the extent of 5 acres was made in 1842 by the then Collector, and the land is still held by the Talaries as Inam. They now claim fresh land equal to the rest of the Inam they lost.

2. There is no record to show under whose orders the Inam land was taken up by the ryots. As it is however Service Inam, and has been added to the Government lands, a fresh grant of acres 3-16-8, assessed at Rs. 0-7-0, is recommended.

3. A statement in the prescribed form is herewith sent.

2. In lieu of acres 3·41¼, assessed at Rs. 0-7-0, Taliar's Inam, which has by some mistake for many years been fully assessed and held on puttah, it is proposed to grant a fresh assignment of equal extent bearing the same assessment.

No. 37. ORDER THEREON, 4th October 1871, No. 1,734.

Miscellaneous. SANCTIONED.
