*Proceedings of the Madras Government, Revenue Department,
4th October 1871.*

No. 42. Read the following Proceedings of the Board of Revenue, dated 21st September 1871, No. 4,052 :—

Read the following letter from the Acting Collector of Ballary, to the Secretary to the Board of Revenue, dated 2nd September 1871, No. 343.

A QUESTION is raised by the Deputy-Collector on General Duties as to whether Talook Gumastahs deputed to villages to examine Census reports are entitled to travelling batta. In paragraph 4 of their Proceedings dated 18th July 1868, No. 5,238, embodied in those of 18th February 1869, No. 1,090, the Board have recommended batta for Gumastahs sent out from their head-quarters on duty within their own division; but the Government in their Order dated 2nd February 1869, No. 276, conveyed in the same Proceedings, accepted the proposals of the Board in regard to both Gumastahs and Peons when actually in attendance on a Tahsildar whilst absent from cusbah station on duty; but this was not exactly the proposal of the Board. I have, therefore, the honour to request the orders of the Board as to whether batta to Gumastahs should be paid only when on circuit with the Tahsildar, or whether it can be paid to them when absent on duty and not in attendance on the Tahsildar.

THE Board certainly intended that Talook Gumastahs should be allowed batta whenever their duty takes them away from the cusbah, whether in company with the Tahsildar or not.

2. In the case of Talook Peons they assigned a reason for restricting the grant of batta to those occasions only when they travelled with the Tahsildar.

3. They recommend, therefore, that the doubt created by the wording of the Government Order referred to be removed.

No. 43. ORDER THEREON, 4th October 1871, No. 1,737.

Miscellaneous.

THE Government in their order in question expressly concurred in the Board's views.

2. The intention of the G. O. was to sanction *batta* to Talook Gumastahs when absent from their head-quarters on duty, and to Talook Peons when actually on circuit with the Tahsildar as recommended by the Board.
