Proceedings of the Madras Government, Revenue Department,
6th October 1871.

No. 73. Read the following Proceedings of the Madras Government in the P. Works Department:—

Miscellaneous.

Communicated to the Board of Revenue, in view to their submitting proposals, after consultation with the Collectors of the Kistna, Nellore, South Canara, and Malabar Districts, as to the best means of obtaining a reliable estimate of the traffic now sea-borne or carried on the common roads, which might probably be transferred to an inland water-way, in the event of the connection of the Nizampatam and Kistnapatam back-waters with each other, and with Madras by canal, and of Mangalore, Cannanore, and Beypore being similarly connected with each other.

2. It will be open to the Collector of South Canara at the same time to consider the question, with reference to the possible extension of the connection northwards to Cundapoor.
