Dated 6. 10.	18 71.

*Proceedings of the Madras Government, Revenue Department,
6th October 1871.*

Read the following papers:—

No. 75. Proceedings of the Board of Revenue, dated 14th September 1871,
No. 3,957.

Read the following letter from the Acting Collector of Bellary, to the Secretary
to the Board of Revenue, dated 19th August 1871, No. 329.

CAPTAIN J. P. GRANT, Superintendent of the Mysore Revenue Survey, has
called on me to ask me to make arrangements for settling the boundaries between
this district and Mysore.

2. He proposes to do this in October or November; the settlement of these
disputes might take about a month.

3. Now it will be impossible almost for one of the division officers to go and
meet the other officer, as along the boundary there would be no accommodation
for prisoners, so that the magisterial cases would have to wait a long time. There
is only one Assistant here; he cannot well be spared.

4. I have the honour to request the Board will let me know what they would
propose should be done.

5. If Government cannot send another Assistant, then could they send a
Deputy-Collector to do the ordinary division work, while the divisional officer
looks after the boundary dispute.

6. If this cannot be done, there will be no help for it but sending the Assist-
ant Collector from Bellary; but it is just possible that the Collector might then
find the work too much for him, and the Board might not perhaps be able to get
their Proceedings answered as soon as they might wish.

SUBMITTED for the orders of Government.

2. The Board are of opinion that with only one Assistant in the district it
will be impossible for the Collector to get the work done, unless a special officer
is appointed.

REFERRED to the Acting Superintendent of Revenue Survey for report, whether
an officer can be spared from the Cuddapah Survey Party for this temporary
special duty.

(Signed) W. HUDLESTON,
Secretary to Government, R.D.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 19th August 1872.
Read the following letter from J. H. MASTER, Esq., Acting Collector of Bellary,
to the Secretary to the Board of Revenue, dated 25th July 1872, No. 253:—

In continuation of my letters, Nos. 140 and 141, dated the 10th May last, I
have the honour to forward in original Proceedings passed by Captain Grant,
Superintendent of Revenue Survey, Mysore, and Mr. E. Gibson, Acting Head
Assistant Collector of this district, in a boundary dispute between Sundukchurloo,
a village of the Madaksira Taluq of this district, and Krishnapur, a hamlet of
Venkatapur in the Powghur Taluq appertaining to Mysore.

2. How this case escaped the notice of Messrs. Gompertz and Meiklejohn,
when they met to decide all cases of disputed boundary, I am at a loss to
understand.

3. The Proceedings explain themselves however, and the dispute has now
been settled apparently in the only way it was possible, viz., by giving a portion
of the land to each village.

4. A map showing the rectified boundary accompanies. I have the honour
to request that it may be returned along with the Proceedings after the sanction
of Government has been obtained.

ings, No. 1,495, dated 5th August 1872.
