Proceedings of the Madras Government, Revenue Department,
6th October 1871.

No. 78. . Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated

I HAVE the honour to inform you that on the 1st instant I removed my Draughtsman Govindu Rajoo from the effective strength of my office establishment, as he was suffering from disease of the brain and the nervous system. According to the rules of the Uncovenanted Service I forwarded an application for gratuity for Govindu Rajoo to the Accountant-General for verification and submission to Government. I have nominated Govindu Rajoo's son, Sashiah, as Draughtsman, he having been trained by me for a series of years as a Botanical Artist, and he is most thoroughly qualified for the appointment. For the foregoing reasons I beg to solicit that Government will be pleased to exempt him from the General Test Examination* and from obtaining a certificate of qualification as a Draughtsman from the Principal of the Civil Engineering College, the requirements of a Draughtsman in the Forest Department being very different from those of other Public Departments.

* Uncovenanted Servants' Vademecum, Section I., paragraph 54.

Miscellaneous.

As a special case the Government sanction the proposed exemption of Sashiah from the Tests in question, so far as the particular appointment is concerned.
