Proceedings of the Madras Government, Revenue Department,
12th October 1871.

No. 134. Read the following Proceedings of the Board of Revenue, dated 27th September 1871 :—

Read the following letter from W. S. WHITESIDE, Esq., Acting Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, Madras, dated Trichinopoly, 26th September 1871, No. 259.

I HAVE the honour to bring to the notice of the Board that my Acting Head Assistant Mr. Clogstoun, who was permitted by Government to appear in October next for the High Proficiency Test Examination in Tamil, was, it would appear, granted sometime ago one month's leave without any intimation thereof being given to this Office.

2. Mr. Clogstoun has just casually informed me of the above fact, and said that he purposes to avail himself of the leave from Saturday next the 30th instant. Up to this moment I was not aware that the district was to be deprived for a month of the services of its second administrative revenue-official.

3. I have but one Assistant in the district, and he has only last week been invested with the full powers of a Magistrate ; he has special charge of one Municipal Division of this town, and is also temporarily in charge of the Registration and Assurance Department during Mr. Wright's absence on leave ; his time is therefore fully devoted to his own duties, and I cannot conveniently entrust him temporarily with the Head Assistant's charge. I shall therefore feel obliged by the Board adopting the requisite steps, in view to some officer being deputed without delay to officiate for Mr. Clogstoun during his absence.

SUBMITTED for the orders of Government.

No. 135. ORDER THEREON, 12th October 1871, No. 1,786.

Miscellaneous.

THE Government observe that Mr. Clogstoun's application for leave to appear for examination was supported by Mr. Whiteside himself.

2. The usual period of one month for this purpose has now been formally allowed from the date on which Mr. Clogstoun quitted his district.

3. An extra Deputy-Collector (Acting) has just been appointed to Trichinopoly for such general duties as the Collector may allot to him, and the Government trust that this will enable the Collector to carry on the current duties without material inconvenience until Mr. Clogstoun resumes duty. The Government regret that they are unable to appoint an officer to act for him.
