Proceedings of the Madras Government, Revenue Department,
20th October 1871.

No. 219. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 18th October 1871, No. 603:—

MR. SHEFFIELD erected a very good house at Nundyal in the Kurnool Range at a cost of about 1,000 Rs. This was purchased by Mr. Morgan for 700 Rs. when he relieved that officer. Mr. Boileau is not able to purchase the house, and as I do not think our young officers can be well expected to build or purchase houses, I have the honour to request that this one may be purchased by the department as an office and residence for the Assistant Conservator at a price settled by the Collector or Department Public Works. The house requires an expenditure of some 300 or 400 Rs. to put it in thorough repair, and the Assistant Conservator might, if Government think necessary, be charged a small monthly rent, say, Rs. 10.

No. 220. ORDER THEREON, 20th October 1871, No. 1,828.

Forests, No. 18.

THE Government will be prepared to consider the expediency of sanctioning the purchase on being informed of the price settled and as to whether the charge can be met from the Forest Budget grant.

Chunar, 24th October 1871.

From The Conservator of Forests, N.W.P. Circle, Chunar

To The Secretary to Government, N.W.P.

Sir,

I have the honor to request that the sanction of Government may be obtained to the purchase of a house at Nundgaon for the use of the Forest Establishment employed in that neighbourhood.

2. The house belongs to Lala Ramnarain Mungal Kayasth of Nundgaon and is offered for sale at Rs. 1000. It is a substantial building and is well suited for the purpose required.

3. The Forest Establishment at present occupies a house belonging to Government at Nundgaon, but it is in a very dilapidated condition and is not fit for habitation. The Executive Engineer, Mirzapur, has been requested to repair it, but he has declined to do so, on the ground that it is not required for Public purposes.

4. The Forest Establishment has been obliged to hire a house in the village, but the owner has given notice to quit, and it is necessary that a house should be obtained without delay.

5. The Forest Establishment consists of a Ranger, a Deputy Ranger, and 20 Constables, and the Rangers house is also required for the Office.

6. The Deputy Commissioner of Mirzapur has been consulted on the subject, and has no objection to the purchase.

I have the honor to be,
Sir,
Your most obedient servant,
[illegible]
Conservator of Forests.
