No. 71. Read the following Proceedings of the Board of Revenue, dated 16th January 1871, No. 209:—

Read the following letter from the Acting Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 11th November 1870, No. 294.

I HAVE the honour to furnish the report called for in the Order of Government, dated 6th March 1869, No. 577, and 10th September 1869, No. 2,555,* Revenue Department. The land in question had to be demarcated and surveyed, operations which, in a jungly tract like the one under report, are, to a certain extent, dependent on the seasons. Hence the delay.

*Board's Proceedings, dated 5th October 1869, No. 7,394.

2. The facts of the case will be found fully recorded in the Proceedings of Government, under date the 22nd February 1868, so far as the original grant of land to Rustomjee & Co. and its subsequent transfer by them to its present possessor Andu Sait are concerned.

3. In July 1869 the Conservator of Forests forwarded to this office a letter, dated 3rd July of that year, No. 1,300, from Captain Gosling, Assistant Conservator of Forests, in which it was stated that Andu Sait claimed a block of 900 acres containing valuable timber, whereas his Puttah was only for 80 bullahs equal to about 320 acres.

4. The question as to the puttahdar's right to the land and the timber growing thereon as entered in his Puttah was disposed of in the Order of Government, dated 22nd February 1868, No. 498, the right being fully admitted.

5. To prevent future encroachments and to dispose of the allegation made by Captain Gosling that Andu Sait laid claim to land three times more than his Puttah entitled him to, it became necessary to have the claim demarcated and surveyed. This has now been done by the Survey Department, and I have the honour to transmit, for the Board's information, copy of the survey, from which it will be observed that Andu Sait's claim amounts only to 304·29 or 1·43 acres less than his Puttah entitled him to claim.

ENCLOSURE No. 1.—Survey.

SUBMITTED to Government, with reference to Government Order, dated 10th September 1869, No. 2,555.

No. 72. ORDER THEREON, 4th February 1871, No. 241.

Forests, No. 3.

COMMUNICATED, with the Survey Map, to the Conservator of Forests, who will observe that the puttahdar's claim is now strictly limited to the demarcated and surveyed blocks which contain somewhat *less* than the approximate area entered in the "Cowlenamah."

2. The Collector will furnish Andu Sait with copy of the Map, and impress upon him that he must carefully restrict himself to the defined limits.
