is well enough to perform the
duties of an office which does
not require him to travel.
If Mr. Smith is not allowed
to resume charge of his post
after leave for a day, he will

lose half pay for the 8 months
during which he has been
on privilege leave, which
would be hard on him as
he has a large family & has
had no leave for the

thinks that he will require
3 months more leave before
he will be in a fit state to
