*Proceedings of the Madras Government, Revenue Department,
8th February 1871.*

No. 114. Read the following Proceedings of the Board of Revenue, dated 24th January 1871, No. 370:—

Read the following papers:—

Proceedings of the Madras Government, dated 16th December 1870, No. 2,047, Revenue Department.

ABSTRACT.—*Rice-hulling and Bone-crushing machines.*—Passing orders on the subject of exhibiting them in operation at Madras where the merchants and others interested in the trade may see them at work.

From the Accountant-General, Madras, to the Acting Secretary to the Board of Revenue, dated Fort Saint George, 21st December 1870, No. 5,866.

With reference to paragraph 5 of Government Order, Revenue Department, No. 2,047, dated 16th instant, I have the honour to intimate that the charges therein alluded to are debitable to "26, Miscellaneous," and as the charge is not likely to be a heavy one, it may be met from savings under that head.

THE Farm Committee will be requested to forward the Rice-hulling and Bone-crushing machines to the Department Public Works Workshops, and to communicate with the Superintendent with a view to their being received.

2. Mr. Crainger is requested to inform the Board when they are ready for exhibition, the requisite quantity of paddy and bones having been previously provided by the Farm Committee.

3. Notices of the date determined for the experiment will then be sent to the Chamber of Commerce, the Trades Association, the Commissary-General, and other public officers; and will also be published in the *Fort Saint George Gazette* and the daily papers, for the information of persons interested in the experiment, who will be invited to attend.

No. 115. ORDER THEREON, 8th February 1871, No. 261.
