No. 205. Read the following Proceedings of the Board of Revenue, dated 24th January 1871, No. 371 :—

Read the following letter from the Acting Superintending Engineer, 1st Division, to the Controller of Public Works Accounts, dated Dowlaiswaram, 6th September 1870, No. 1,926.

With reference to your letter, No. 945, dated 26th August 1870, I have the honour to inform you that the "Live Stock" therein referred to having been applied for by the Range Officer on account of Local Fund roads, funds for the same have been appropriated by me, with the sanction of the Collector, from the District Road Funds at my disposal.

2. I presume that the rules, conveyed in Government Order No. 1,365, dated 11th May 1864, regarding "Tools and Plant" are applicable to Imperial Funds only, and not to Local Funds.

SUBMITTED for the orders of Government as to whether the first clause of paragraph 16 of the report by the Inspector-General of Accounts, recorded in Government Order No. 1,365, dated 11th May 1864, is to be regarded as applicable to Live Stock purchased from Local Funds.

ENCLOSURE No. 1.—Government Order, dated 11th May 1864, No. 1,365, Public Works Department.

In the foregoing endorsement the Board are called upon to report upon the question mooted by the Controller of Public Works Accounts as to whether the first clause of paragraph 16 of the

Recorded in Government Order, Public Works Department, dated 11th May 1864, No. 1,365. report by the Inspector-General of Accounts is to be regarded applicable to Live Stock purchased from Local Funds.

2. The clause rules that Live Stock should be purchased only on the authority of the Local Government or Administration. In the case of Local Funds

Proceedings of the Madras Government, Revenue Department,

the Live Stock can only consist of bullocks, which are now being purchased on a very small scale out of the estimated cost of any large works in progress under the supervision of the Public Works or Revenue Department, and charged to their estimates. The occasion for the charge must be rare, as bullocks are generally hired to be used on the works. The Board think it unnecessary to trouble Government with such unimportant matters which may safely be left to the discretion of the local officers.

3. Moreover, the rule in question is, it is believed, intended to apply solely to Imperial Funds, out of which Live Stock, consisting of elephants, camels, etc., are purchased in the other Presidencies subordinate to the Government of India, where it may be necessary to go through the formalities prescribed by the rules.

ORDER THEREON, 18th February 1871, No. 306.

Miscellaneous.

THE Government concur in the views expressed by the Board of Revenue. The sale-proceeds of the

Live Stock, when no longer required, will be re-credited to Local Funds.
