
*Proceedings of the Madras Government, Revenue Department,
20th February 1871.*

Read the following papers:—

No. 213. From the Acting Director of Revenue Settlement, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 7th February 1871, No. 268-7.

When framing the Budget-estimate for 1870-71 Mr. Master entered under the head of "Travelling Allowance" Rs. 1,500 for the Director, and Rs. 1,260 for his establishment; but causes which have since arisen necessitate an increase being made to the Budget allotment then sanctioned under these heads. The causes are as follow:—

1st.—In reviewing the Director's annual report for 1868-69 the Government* concur with the Board that the remarks regarding the propriety of more itineration and local inspection on the part of the head of the department were called for; and thus I have taken care that the annual report of the present year will show that due regard has been paid to the wishes of Government.

2nd.—As I was new to the department it was necessary that I should visit each district, and become acquainted with the Deputies and the scene of their operations.

3rd.—The Chingleput and Coimbatore Districts have both required my personal attention, and this could hardly have been foreseen by Mr. Master when he prepared the Budget. It likewise happened that I had to visit the Salem District oftener than was anticipated.

2. Under these circumstances I have the honour to request that Rs. 1,000 may be ordered to be transferred from general savings to the item of Travelling Allowance of Director and establishment, Rs. 500 being credited to each head. There are ample savings to meet this arrangement. When the Director's visits to the interior are more frequent than usual, the cost on account of the establishment necessarily increases, although the propriety of taking only a small number of subordinates is carefully borne in mind.

REFERRED to the Accountant-General for remark.

(Signed) W. HUDLESTON,
Secretary to Government.

No. 214. From the Accountant-General, Madras, to the Secretary to Government, Revenue Department, Fort Saint George, dated 16th February 1871, No. 336.

I HAVE the honour, with reference to your docket of the 10th instant on the letter of the Acting Director of Revenue Settlement, No. 268-7 (herewith returned), to report that there appears to be no objection to the transfer proposed therein, as it is within the same major head of service, and does not affect the aggregate grant for the Settlement Department.
