

*Proceedings of the Madras Government, Revenue Department,
20th February 1871.*

No. 222. Read the following Proceedings of the Board of Revenue, dated 30th January 1871, No. 460 :—

Read again letter from the Collector of Tinnevelly, dated 22nd October 1870, recorded in the Board's Proceedings, dated 19th November 1870, No. 6,747.

Read also the following letter from the Master Attendant, Administrative Department, to the Acting Secretary to the Board of Revenue, dated Madras, 4th January 1871, No. 28.

I HAVE the honour to forward the accompanying revised estimates, received from the Collector of Tinnevelly, for the repairs of the schooners *Edith* and *Pearl*, together with an explanation from the Master Attendant, Tuticorin, on the subject, and to recommend that the estimates be now sanctioned.

ENCLOSURE No. 1.

Extract from a letter from the Acting Superintendent of Pearl Banks, Tuticorin, to the Collector of Tinnevelly, dated 15th December 1870, No. 43.

IN accordance with the request contained in your letter, No. 1,700, of the 12th December 1870, I beg leave to forward you a revised estimate for the repairs of the schooners *Pearl* and *Edith*. The items ticked off by the Acting Master Attendant in Madras, I think, were in excess of the quantities that may be required, and I have reduced them accordingly. As only one of the boats will be under repair at one time, if any material is left from one it will be used up on the other; and when both boats are finished, if any balance is left it will be credited to Government. Every care will be taken that no expenditure will take place except what will be necessary to put the vessels in an efficient state of repair for some years to come.

(True Extract.)

(Signed) R. K. PUCKLE,
Collector.

ENCLOSURES Nos. 2 and 3.—Estimates.

THE two revised estimates, received with the second of the above letters, for repairing the Pearl Bank guard schooners *Edith* and *Pearl*, amounting respectively to Rs. 877-8-0 and Rs. 672, are submitted for the sanction of Government. These estimates have been approved of by the Master Attendant.
