Proceedings of the Madras Government, Revenue Department,
20th February 1871.

No. 231. Read the following Proceedings of the Board of Revenue, dated 7th February 1871, No. 576 :—

Read the following letter from the Collector of Sea Customs, to the Acting Secretary to the Board of Revenue, dated Madras, 20th December 1870, No. 1,255.

I HAVE the honour to forward an Indent on the Superintending Engineer for the supply of a Counter, and to inform the Board that the cost can be defrayed from Contingencies.

ENCLOSURE No. 1.—Indent.

SUBMITTED to Government, with reference to their Order in the Military Department, dated 13th January 1871, No. 147, with a request that sanction may be accorded to the Collector of Sea-Customs making a Counter at a cost of Rs. 46.

2. As Madras is now constituted into a distinct Collectorate under the supervision of the Board, it seems to them doubtful whether the Government Order quoted in the preceding paragraph applies to contingent expenditure which is under the control of the Board in the case of every other district.

No. 232. ORDER THEREON, 20th February 1871, No. 319.

Miscellaneous.

THE Government concur with the Board that in the changed circumstances of the Madras District, such applications as the present should be disposed of by the Board.

(True Extract.)

(Signed) W. HUDLESTON,
Secretary to Government.

To the Board of Revenue.
