21st February 1871.*

No. 244. Read the following letter from the Acting Collector of Coimbatore, to the Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 9th February 1871, No. 7 :—

I HAVE the honour to inform you that one Subba Row of Coimbatore applies for an extract from the Minutes of Consultation, dated 26th September 1850, No. 907, paragraph 6, and, under the circumstances represented by him in the accompanying copy of his petition, request permission to comply with his request.

ENCLOSURE No. 1.

From A. P. SUBBA ROW, late Second English Accountant, to the Acting Collector of Coimbatore, dated Coimbatore, 12th November 1870 :—

I BEG leave to state that in 1850 I made an agreement with Mr. Thomas, then Collector of this district, under which I delivered over to Circar a building of mine, situated at Ootacamund, to be occupied as public Chuttrum ; the condition of this agreement was that the Circar is to keep the building in repair, and pay monthly Rs. 10 for the maintenance of the establishment and sadderward charges. This agreement I hear has been lately changed by an order of Government, passed at the recommendation of the new Commissioner of Neilgherries, by which my building is put without repair, and in a very bad state. No notice taken of it by any one.

2. I therefore intend to lay the matter for consideration before the Government, for which purpose I require from your office records certain copies of old correspondence (as noted in the margin) between the Collector and the Board of Revenue, and therefore request the favour of your honour's ordering the same to be given to me in the accompanying stamp paper with your official seal and signature affixed thereto.
