Medical Certificate on on private
affairs. It was an office
arrangement made by the
Collector as Head of the
District and was in no
way at the suggestion or
desire of the Deputy Collector
himself. The enclosed copies dated 5th
of 2 memoros will show that ^{August 1870}
Mr Hewetson was relieved ^{N^o 792 &}
on the 5th August last but on ^{6th Aug 1871}
the following day he
was necessary to depart
him to go to Berkanum to
settle the Salt payments due
to the manufacturers which
were then in arrears, and from
this day he returned only on
the 16th August. It is hoped
as the work of the Salt
Department was undertaken
and carried on by the Collector
of his own motion and not
at the request of Mr Hewetson
that the latter officer may not
be deprived of his salary during
such period.
