*Proceedings of the Madras Government, Revenue Department,
21st February 1871.*

No. 256. Read the following endorsement of the Accountant-General, Madras, dated Fort Saint George, 18th February 1871, No. 103 :—

Read the following letter from the Sub-Collector of South Arcot, to the Deputy-Accountant-General, Madras, dated Madras, 17th February 1871, No. 67.

WITH reference to the Order of Government, dated 10th January 1871, No. 50, granting me furlough for two years, and as you hesitate to grant me the necessary Leave Certificate and Certificate of no Demands for taking with me to England, I have the honour to render the following explanation of my having availed myself of my subsidiary leave on the 4th instant, with intent to proceed from Madras by the P. and O. Steamer on the 5th March 1871.

2. I returned from one month's privilege leave on 3rd September 1870, and six months from that date, will elapse on March 3rd, 1871. But it did not occur to me that the restriction of six months applied to subsidiary leave as well as furlough, and I was unaware that I could not avail myself of the subsidiary leave granted until after March 3rd, 1871.

I therefore gave over charge to Mr. F. R. Sharp at Virdachellum on 4th February.

3. I beg also to state that I have felt unwell for some months past, and was obliged last Christmas to consult Dr. James Smith, Civil Surgeon of Cuddalore, on the state of my health. He informed me that I had been considerably injured by the climate, and he seemed to be of opinion that it would be very beneficial to my health for me to leave the country.

4. I therefore request you would be so good as to forward this letter to Government with your remarks. Enclosed is my last Pay Certificate from Cuddalore.

THE undersigned has the honour to state that Mr. P. L. Roberts is not, under Government of India Order, dated 20th September 1869, No. 2,523A, Financial, entitled to take advantage of his subsidiary leave until the 3rd March next, as he will on that date only have completed six months from date of return from last privilege leave; but there does not appear to be any reason why Government should not, if so inclined, make Mr. Roberts's case a special one under the circumstances detailed.

Accountant-General.

No. 257. ORDER THEREON, 21st February 1871, No. 331.
