Proceedings of the Madras Government, Revenue Department, 27th February 1871.

No. 295. Read the following Proceedings of the Board of Revenue, dated 9th February 1871, No. 619.

Read the following letters:—

From the Officiating Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 6th January 1871, No. 63.

With reference to Board's Proceedings, No. 6,944, dated 5th December 1870, I have the honour to state that the term "New Madras road" is applied to an alteration of the line of the Great Northern road from Madras to the Bengal frontier, as entered in paragraph 9 of Government Order, dated 11th November 1868, No. 2,831. It is, of course, an Imperial line, and the compensation proposed for loss of crops must be paid by the Department of Public Works.

From the same officer, dated Masulipatam, 18th January 1871, No. 194.

With reference to Government Order, dated 17th December 1870, No. 2,056, I have the honour to request that the sanction of Government may be obtained for the cash payment of compensation for the loss of produce of the lands taken up for public purposes, as the amount (Rs. 53-3-11) seems to have been inadvertently omitted from Government Order; sanction having been accorded for one only of two items of cash payments.

Submitted to Government in continuation of Board's Proceedings, dated 5th December 1870, No. 6,944 (G. O., 17th December 1870, No. 2,056). Of the amount referred to in the second letter, Rs. 2-7-7 are payable for loss of produce on land taken up for the Great Northern road—an Imperial line—for the payment of this amount, the sanction of Government is solicited. Payment of the remainder, Rs. 50-12-4, was sanctioned in paragraph 4 of the Board's Proceedings above quoted.

No. 296. Order thereon, 27th February 1871, No. 351.

Miscellaneous. Sanctioned.

Proceedings of the Madras Government, Revenue Department, 27th February 1871.

No. 297. Read the following letter from the Acting Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, dated Madras, 8th February 1871, No. 595:—

In their Order of the 25th November 1869, No. 3,048, Government were pleased to sanction payment of salary to Mr. Jordon, as Second Assistant in the Board's Office, till the results of the Special Test Examination of August 1870 should be published.

2. The results of the Examination are now known. Mr. Jordon has passed the Test in Precis-Writing, and stands first on the list. He has failed, however, in the Higher Grade of the Revenue Test, though his answers were so creditable that he was passed as far as regards the Lower Grade of the test.

3. An experience of fourteen months now enables the Board to state with confidence that Mr. Jordon is well qualified for his post in knowledge of the Revenue system of the Presidency as well as in all other respects, and they fear that it would be difficult to find any one who could take his place with advantage to the Public Service.

4. Mr. Jordon has served Government with credit and efficiency for fifteen years, and the case seems to be one in which it will be right and proper to relax the Examination Rules, as has been done more generally with regard to Deputy-Collectors.

5. I am accordingly directed to request that Government will exempt Mr. Jordon from the necessity of passing in the Higher Grade of the Revenue Test.

No. 298. Order thereon, 27th February 1871, No. 352.

Miscellaneous.

The Government exempt Mr. Jordon from the necessity of passing the Higher Revenue Test, so far as his retention of his present post is concerned.
