

*Proceedings of the Madras Government, Revenue Department,  
28th February 1871.*

No. 304. Read the following Proceedings of the Board of Revenue, dated 5th January 1871, No. 45:—

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated 2nd December 1870, No. 444.

I HAVE the honour to report that a piece of Government waste land, situated in the town of Negapatam, has been selected by the Commissioners of the Negapatam Municipality as the best site for the construction of a market. The position chosen is marked A. in the sketch hereunto annexed.

2. The land is at present occupied by huts, the owners of which are willing to vacate on receiving compensation. It measures 6 Mahs  $15\frac{1}{4}$  Gulies, of which 1 Mah  $67\frac{3}{4}$  Gulies are assessed at  $3\frac{3}{4}$  Pies per Guli; 3 Mahs  $86\frac{1}{2}$  Gulies at 1 Anna per Guly; and 2 Mahs  $28\frac{3}{4}$  Gulies are unassessed. The whole amount of assessment payable to Government is Rs. 20-6-8.

3. The Commissioners state that if the land be handed over to them, they will be able to clear it of houses, paying a sum less than Rs. 2,000 as compensation to the house-owners.

4. Considering how useful the construction of a new market in the town of Negapatam is sure to prove to the public generally, the Commissioners trust that Government will make a free gift to them of the assessed as well as the unassessed portion of the land in question, though in case of Government declining to do so, they are at the same time willing to pay the assessment. I beg that the Board will recommend the Government to accede to the request of the Commissioners.

ENCLOSURE No. 1.—Sketch.

SUBMITTED for the favourable consideration of Government.

No. 305. ORDER THEREON, 28th February 1871, No. 355.

Miscellaneous.

THE Government sanction the transfer of the land in question to the head of Poramboke so long as it is devoted to the public purpose of a market site, in the event of the Municipal Commissioners inducing the present occupants to transfer their occupation rights to them.

*Proceedings of the Madras Government, Revenue Department,  
28th February 1871.*

Read the following papers :—

No. 309. From the Acting Director of Revenue Settlement, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 6th January 1871, No. 16-2.

In reply to paragraph 3 of the Government Order, dated 10th December 1870, No. 1,992, I have the honour to state that the privilege of receiving both mileage and daily allowances when travelling by rail was enjoyed not only by this department, but also by the establishments of the Inam Commissioner, the Superintendent of Revenue Survey, the Director of Public Instruction, and Inspector-General of Police, until the issue of the Officiating Accountant-General's Notification, reversed in the orders of Government now under reply.

2. No doubt the concession is liberal in the case of the servants of lower rank, but cannot be said to be too indulgent as regards those who have to take domestics and travelling equipage.

No. 310. From the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 2nd February 1871, No. 262-13.

In obedience to the call contained in paragraph 2 of G. O., No. 17, of the 5th January 1871, I have the honour to refer

Dated 22nd August 1861, No. 1,265.

you to paragraph 1 of the letter from the Inspector-General of Madras Police, printed in G. O., No. 203, of the 10th November 1861. From it you will observe that Clerks of his establishment while on circuit draw for the journey performed by rail allowance at one and-a-half Annas per mile. Whether this allowance is still continued or not, and whether the privilege is enjoyed by the office establishment of the Director of Public Instruction, I have no official knowledge.

2. As mileage is intended to pay all travelling expenses incidental to moving from one place to another, and as the *bona fide* railway fare is, for reasons already represented, insufficient to meet them, I trust that Government will be pleased to accept the explanation and sanction the continuance of the mileage by rail hitherto drawn to the subordinates of my office establishment.

No. 311. ORDER THEREON, 28th February 1871, No. 358.

Miscellaneous.

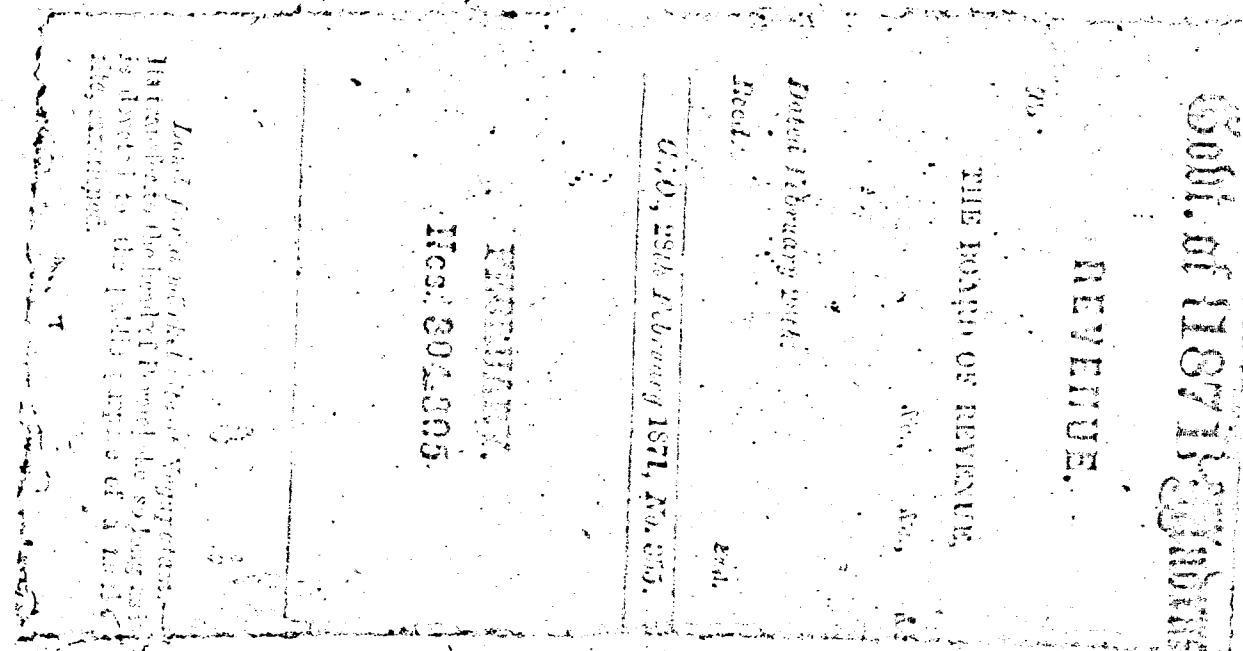

THE Accountant-General has been already instructed to continue to pass the allowances in question which the Government see no reason to withdraw.
