Proceedings of the Madras Government, Revenue Department,
4th March 1871.

The Government authorize the Collector to make this land over in perpetuity as he proposes. Being the provision made by the deceased himself for his children and their mother it may fairly be assumed to be a sufficient one.

It is proposed to sell by auction the landed property, not included in the above proposals. The Collector recommends that the land in North Malabar be sold by the Sub-Collector, and that in South Malabar by the Deputy-Collector of the Southern Division. He estimates that the net proceeds will be considerably in excess of a lac of Rs.

3. The Government sanction the sale proposed by the Collector, the land, of course, remaining subject to assessment. Ample notice of the intended sale, with full particulars of the land, should be published in the District Gazette, and the Collector will report whether he desires to adhere to the usual conditions of sale adopted for the old escheats, or to alter the terms. He will consider whether it is desirable to bring the whole property into the market at the same time.

4. A special report of the results of the sales when completed will be submitted to Government. Out of the net proceeds, after all claims against the estate are satisfied, the established contribution of 10 per cent. for local improvements, such as roads and bridges, sanctioned by the Government of India in letter, dated 17th January 1865, No. 338, Financial, will be credited in the usual manner, and the balance will be held in deposit, pending the decision on the question raised in paragraph 4 of the G. O., No. 1,665, Judicial, dated 21st December 1870.

Proceedings of the Madras Government
Under date the 14th March 1871.

Read the following
Proc. of Govt. Judicial Dept.

Passing orders relative to the
estate of one Moyulambhi Ramiah
Nair, of Malabar, who died in
testate in Aug. 1868. M.O. 21 Dec. 1870, N. 1665.

The several proposals which have been made regarding this property seem to be the following:

1. To sell the moveable property and retain the sale proceeds in deposit.

The sale of the perishable articles was sanctioned in G.O. 27th Nov. 1868, N. 1001.

The further sale of the

the personal moveable property
is now authorized, excepting
such articles (if any) as the
Collector may deem it
advisable to retain tempo-
rarily for use on the land
pending its disposal by
sale. It is assumed that
ploughing-pattle, farming
implements & seed grain,
may possibly be so required.

3^d To sanction the
arrangements made by
the Sub. Off. for the
management (temporary)
of the property, including
payment at the rate
of Rs. 300 per annum
including all expenses
of collection of rents &c.

to the Adigharri of Chenukumar
Amishom who will give
or has given security
to the amount of Rs. 1000 for
due performance of the
work, and Rs. 20 monthly
to the clerk appointed
to examine and arrange
the accounts, deeds and
other papers of the deceased
which it was estimated
would occupy 3 months.

The Govt sanction
the arrangements & the
charges in question against
the Estate.

3^d To recover the
outstanding debts due to the
Estate estimated at Rs. 2500,
permitting such as may
appear

appear irrecoverable & to pay off
from the funds in hand all
established claims against the
State amounting Rs. 12078.9-
with interest up to 19th Oct last,
the date of the Collr's letter, in
Board's Bk. at Rs. 55-6, 3/4 on 10th Nov 1875.

The Collr. is authorised
to carry out his proposals.

4. To appoint the Kartanad
Rajak as Trustee on behalf
of Govt of the endowment
assigned by the deceased for
the support of a Brahmin
feeding house (Ulla Brahmanam)
in Tellicherry valued at
Rs. 99,035- & consisting of
lands, houses & certain con-
sist of household utensils.

This matter appears to have
been disposed of by the B. in due
exercise of their powers under
Reg. 4 of 1874.

The Govt. approve their acceptance
of the Collr's nomination & note that
the Kartanad Rajah has accepted the
office.

5. To make over in perpetuity
to Kallangul Sri Devi of Ayikod
Brahmanam, said to have borne the
name of

children to the deceased,
certain land & the rent
of a Paramba, made over
by deceased during his life-
time for the maintenance
of herself and her children,
to her Maruam.

The value of the whole
is estimated at Rs. 2000.

The Govt. authorize
the Collector to make this
land over in perpetuity
as he proposes. Being
the provision made by
the deceased himself for
his children and their
mother, it may fairly

be

assumed to be a sufficient one.

Accordingly it is proposed
to sell by auction the landed
property, not included in
the above proposals. The
Collector recommends that
the land in N. Malabar
be sold by the Sub Collector,
and that in S. Malabar
by the Deputy Collector of
the Southern division. He
estimates that the net pro-
ceeds will be considerably
in excess of a lac of Rupees.

The Govt. sanction
the sale as proposed by
the

the Collector - the land of course
remaining subject to a sep-
-ment. Ample notice of
the intended sale with full
particulars of the lands
should be published in
the District Gazette, and
the Collector will report
whether he desires to
adhere to the usual
conditions of sale, adopted
for the old schemes, or to
alter the terms. He
will consider whether it
is desirable to bring the
whole property into the
market

market at the same time.

A special report of the results of the sales, when completed will be submitted to Govt. Out of the net proceeds after all claims against the Estate are satisfied, the established contribution of 10 per cent for local improvements such as roads and bridges sanctioned by the Govt of India in letter dated 17 January 1865, N^o 338, Financials, will be credited in the usual manner, and the balance will be held

held in deposit, pending the decision on the question raised in para 4 of the G. O. N^o 1665, Judicial, dated 21st December 1860.
