*Proceedings of the Madras Government, Revenue Department,
8th March 1871.*

No. 128. Read the following letter from G. LEE-MORRIS, Esq., Acting 2nd Member of the Board of Revenue, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 4th March 1871 :—

BEING about to proceed to Europe on furlough for two years, from the months of either June or July next, with the intention of retiring from the Service at the end of my furlough, I am anxious, before quitting India, to dispose of my two furnished houses at Vellum and Point Calimere in the district of Tanjore.

2. In accordance, therefore, with paragraph 2 of the Order of the Government of India, dated 30th September 1868, No. 1,667,* I have the honour to request Government to allow me to sell the aforesaid property to native purchasers, in case my successor should not feel disposed to buy it.

3. I paid 6,000 Rs. for the houses and 2,700 Rs. for the furniture in the year 1866. Since then I have kept the houses in good repair at an annual expenditure of 300 Rs., and have added new furniture from England and from Messrs. Deschamps & Co., for which I have paid 1,300 Rs. The houses are in as good order as when I bought them, whilst the furniture is in much better order; and I accordingly propose, with the permission of Government, to dispose of the whole property for 9,000 Rs. to my successor if he will take it, or to a native purchaser if he will not.

No. 129. ORDER THEREON, 8th March 1871, No. 420.

Miscellaneous.

THE Government permit Mr. Morris to carry out his intentions as expressed.
