REVENUE DEPARTMENT.

G.O. No. 42

Press
Mis.

Dated

9-1-1871.

Not to be folded or roughly handled

*Proceedings of the Madras Government. Revenue Department,
9th January 1871.*

No. 86. Read the following Proceedings of the Board of Revenue, dated 21st December 1870:—

Read the following letter from the Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated Ghooty, 29th November 1870, No. 421.

I HAVE the honour to forward, duly countersigned, estimates, amounting to Rs. 55,290, for constructing a 2nd-class

Bellary	...	...	...	...	Rs.	A.	P.	district road from Sirgoopah to Adony.
Adony	...	...	...	...	63	15	0	2. To the above sum must be added
					66	3	9	as compensation the total Rs. as per
					130	2	9	margin for lands taken up in the taluqs

of Bellary and Adony. The compensation payable in the taluq of Alur will be intimated as soon as the information now called for is obtained.

3. The Superintending Engineer cannot at present determine if any or what portion of the estimated cost for masonry works is chargeable to Imperial Funds on account of crossings over irrigation channels. He promises, however, to supply this information at an early date, when the same will be communicated to you.

4. The estimate in this incomplete form is submitted to prevent the provisions under Item No. 155 in the Public Works Budget, Rs. 4,000, for the current year lapsing. The balance of the estimate will be fully worked up in 1871-72, so that the road, which is an important railway feeder, may be speedily opened for traffic.

5. I beg you will be good enough to obtain the necessary sanction at an early date.

THE estimate, amounting to Rs. 55,290, for constructing a 2nd-class district road from Sirgoopah to Adony (length 25 miles and 1,056 yards) is submitted for the sanction of Government.

2. The work appears as Item No. 47 in the current year's Road Fund Budget with an allotment of Rs. 4,000.

3. The estimate is made up of the following items:—

	Rs.
1. Earth-work	11,956
2. Gravelling	16,696
3. Tamping...	1,861
4. Masonry works...	19,756
5. Sundries and superintendence...	5,021
	55,290

4. The object of the road is to afford facility to the towns-people of Sirgoopah, the villagers of Ibrampoor, Dasanoor, Veerapoor, and those of the surrounding villages, in bringing the produce of the large tract of rich irrigated lands, which they hold under the Toongabadra channels, to the market and railway station at Adony.

5. The Acting Collector will at an early date furnish information regarding the amount of compensation for lands to be taken up for the road and the contribution to be made from Imperial Funds on account of masonry works over irrigation channels.
