

*Proceedings of the Madras Government, Revenue Department,
10th March 1871.*

No. 149. Read the following Proceedings of the Board of Revenue, dated 6th March 1871:—

Read the following letter from the Superintendent of the Government Press, to the Acting Secretary to the Board of Revenue, dated Fort Saint George, 17th February 1871, No. 167.

I HAVE the honour to forward herewith two Bills, received from the Keeper, Madras Penitentiary, for extra allowances to convicts employed in printing Census Forms. For extra bread or the indulgence of a little tobacco, these men have turned out amongst them from twelve to fifteen thousand copies per day above their ordinary task-work. The Keeper tells me he has expended all his contingent money, and cannot go on without inconvenience from the want of it: I have, therefore, to request the amount of the Bills may be paid as soon as possible. Major Bowen was consulted before promising good conduct prisoners rewards for extra work.

SUBMITTED to Government in continuation of the Board's Proceedings, dated 16th February 1871, No. 743.
