SIR,—In reply to your letter, dated
17th February 1871, No. 107-F., I am
directed to inform you that the expend-

iture in the current year on the removal of obstacles to the rafting of timber down
the Cauvery will be met by the transfer to the Bhowani Range of Rs. 5,000 from the
Budget provision for working charges in other ranges. The Government of India
have sanctioned the provision of Rs. 12,000 in the coming year's Budget-estimate
for continuing the work.

2. The papers noted in the margin, which relate to the subject, are enclosed.

Proc. of Govt., 15th November 1869, No. 2,050. You will observe from the Assistant
19th August 1870, „ 1,297. Engineer's letter, in Proceedings of 9th
9th December „ „ 1,988. December 1870, that much of the work
17th January 1871, „ 116. does not admit of detailed estimate, but

that the necessary preliminary steps have been taken for preparing plan and
estimate for the channel round the end of the Nerinjepett anicut, which will be duly
submitted when received. Meanwhile, to obviate delay in the important work of
maintaining the railway fuel supply, the removal of the minor obstacles has been
ordered.

I have the honour to be,

Sir,

Your most obedient servant,
