No. 132.

I HAVE the honour to submit copy of Plaint in Original Suit in the file of the Chittoor Civil Court, in which the Collector, Sub-Collector, and the Vellore Tahsildar, are included as defendants, and request sanction for conducting the defence at public cost.

2. The circumstances which gave rise to this Suit are given *in extenso* in my letter, No. 263, dated 29th June 1870, recorded in the Board's Proceedings, dated 14th July 1870, No. 4,878, and from it the Board will observe that petitioner attempted to withdraw a formal Razeenamah presented by him of his own accord, transferring to one Kullasani Nattan his right in the Seduperi tank fishery in the Vellore Taluq, which he had a few days before rented for five years from the Government.

3. The Razeenamah and the Deed of Acceptance by Kullasani Nattan, agreeing to take the fishery in question, are both dated 3rd September 1869, and about seven months later (in April 1870) after the plaintiff had heard that the Sub-Collector withdrew his objections to the transfer, and had actually ordered it, addressed a statement with Kullasani Nattan, and

4. At this time the Razeenamah was accepted and acted upon, and possession of the fishery given over to Kullasani Nattan.

5. Petitioner was, therefore, referred to the Civil Court for redress, as nothing could be done for him in the Revenue Department.

6. I request the Board will be pleased to approve of the accompanying draft answer, which I propose to file on behalf of myself and the other defendants.

SUBMITTED for the orders of Government, the amount at issue exceeding Rs. 1,000.

2. The Board recommend that the defence of the Suit be sanctioned on the usual terms. The draft answer seems to be sufficient, but the *numbers* in the designation of the answerers in the last two paragraphs are wrong.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 14th March 1871.

I HAVE the honour to submit copy of plaint, in Original Suit No. 4 of 1871, on the file of the Chittoor Civil Court, in which the Collector, Sub-Collector, and the Vellore Tahsildar are included as defendants, and request sanction for conducting the defence at public cost.

3. The Razeenamah and the Deed of Acceptance by Kullasami Nattan agreeing to take the fishery in question, are both dated 3rd September 1869, and about seven months later (in April 1870) after the plaintiff had heard that the Sub-Collector withdrew his objections to the transfer and had actually ordered it, addressed a petition to the Collector, repudiating his agreement with Kullasami Nattan, and requested orders to be permitted to hold the fishery rent himself.

5. Petitioner was therefore referred to the Civil Court for redress, as nothing could be done for him in the Revenue Department.

Proceedings dated 14th
March 1871.

In No 234

Draft answer proposed to be filed in Original
Suit No 4 of 1871 on the file of the Civil
Court of Chittoor.

1. The Plaintiff is bound by the agreement
which he had executed in favor of the 1st
Defendant under date the 3rd September 1869
transferring to him unconditionally all his
(Plaintiff's) rights in the Seduperi tank
fishery for five years from Fasli 1279.

With this agreement the 1st
Defendant had executed a counterpart
agreeing to accept Plaintiff's rights in
the fishery in question and as these agree-
ments were executed by both parties of
their own free will and consent without
compulsion of any kind, it was not com-
petent for the Revenue authorities either
to refuse to register 1st Defendant's name as
the renter in violation of the written consent
of the Plaintiff.

Moreover the Revenue Officers
have no authority to cancel that registry
and to oust the 1st Defendant from his
possession.

possession of the fishery in question
without a written agreement from the
1st Defendant giving up his right in
the fishery nor have the Revenue
Authorities power to effect the transfer
desired by Plaintiff on his own misrep-
= posed statement.

Under these circumstances the
1st and 2nd Defendants pray that the suit
against them and the 3rd Defendant
may be dismissed with costs.

The 3rd Defendant having
acted under the orders of his principal
the Sub Collector no separate defence
or appearance is put on his behalf.

In No. 234

Proceedings of the Madras Government, Revenue Department,

No. 236. Read the following Proceedings of the Board of Revenue, dated 14th March 1871:—

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 11th March 1871, No. 68.

I HAVE just received the original of the enclosed from my Head Assistant Mr. Lister in reference to Board's Proceedings of the 3rd instant, and I shall be glad if the Board and Government will favourably regard the apology and expression of regret contained in the letter, as I am very willing myself to accept them, and to think no more of the matter.

2. The lesson will, no doubt, be of value to Mr. Lister, and I venture, therefore, to hope that his official offending may on this occasion be overlooked by Government, and that it will not entail on him any consequences beyond such intimation of displeasure at his conduct as His Excellency the Governor in Council may consider to be imperatively called for.

SUBMITTED to Government, with reference to Government Order, 9th March 1871, No. 424.

2. This letter and its enclosure appear to have been written after Messrs. Reade and Lister had received Board's Proceedings, 3rd March 1871, No. 951, but before the Government Order thereon had reached them.

No. 237. ORDER THEREON, 17th March 1871, No. 475.

Miscellaneous.

As Mr. Lister spontaneously offered an apology to Mr. Reade, which that gentleman accepted, the Government consent, at Mr. Reade's request, to retain Mr. Lister in his present post instead of removing him elsewhere as had been resolved.
