

Proceedings of the Madras Government, Revenue Department,
17th March 1871.

No. 236. Read the following Proceedings of the Board of Revenue, dated 14th March 1871:—

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 11th March 1871, No. 68.

I HAVE just received the original of the enclosed from my Head Assistant Mr. Lister in reference to Board's Proceedings of the 3rd instant, and I shall be glad if the Board and Government will favourably regard the apology and expression of regret contained in the letter, as I am very willing myself to accept them, and to think no more of the matter.

2. The lesson will, no doubt, be of value to Mr. Lister, and I venture, therefore, to hope that his official offending may on this occasion be overlooked by Government, and that it will not entail on him any consequences beyond such intimation of displeasure at his conduct as His Excellency the Governor in Council may consider to be imperatively called for.

SUBMITTED to Government, with reference to Government Order, 9th March 1871, No. 424.

2. This letter and its enclosure appear to have been written after Messrs. Reade and Lister had received Board's Proceedings, 3rd March 1871, No. 951, but before the Government Order thereon had reached them.

No. 237. ORDER THEREON, 17th March 1871, No. 475.

Miscellaneous.

As Mr. Lister spontaneously offered an apology to Mr. Reade, which that gentleman accepted, the Government consent, at Mr. Reade's request, to retain Mr. Lister in his present post instead of removing him elsewhere as had been resolved.

Sir

I have the honor to express
my regret for writing memorandum
No 28 of the 14 February.

2- When I saw you last Wednesday
I told you that I was really sorry
about it, and you were kind enough
to say that you were satisfied, and it is
clearly my duty not only to rely upon an
oral apology for a hasty indiscretion
which has been so severely censured by
the Board of Revenue.

3. For fear of seeming anxious to
excuse what is inexcusable, I am almost
afraid to remind you that the said
paper was written immediately on
receipt of your memorandum in
a moment of hasty rage, without even
an hour's thought being allowed for
reflection.
