

*Proceedings of the Madras Government, Revenue Department,
20th March 1871.*

No. 268. Read the following Proceedings of the Board of Revenue, dated 17th January 1871, No. 224 :—

Read the following letter from the Acting Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 8th December 1870, No. 571.

AFTER receipt of the Board's Proceedings, dated 8th September last, No. 5,644, on the subject of the transfer of the Kalastri Zemindari to the Chingleput District, I visited the Kalastri Zemindar, and fully discussed the proposed transfer of his estate to the Chingleput District with him.

2. He was very much opposed to it, in consideration of the extreme inconvenience that it is likely to occasion him in many ways.

3. The Board are aware that there is no easy means of communication between Nagalapuram and Kalastri, and that a difficult and rocky line of hills intervenes.

4. Now that the proposed location of the Head Assistant's Office of this district at Arconum has been determined, and bearing in mind the facilities afforded by the railway from Ranigunta to Arconum, and the good line of road that connects the former place with Kalastri, I would strongly deprecate the transfer of the Zemindari from this district on the ground that the ryots of Kalastri will actually pass through Arconum, where a European Magistrate's Office is to be stationed, and go all the way to Trivellore, and from thence to the head-quarter of another European Magistrate, at some distance from the railway station, in order to obtain justice, which could be had at Arconum, without half the expense and trouble in journeying to and from Nagalapuram. The Zemindar's business in the Civil Court also will be rendered much more difficult by its transfer from the Chittoor Court, where it has always hitherto been transacted.

GOVERNMENT have already ordered the transfer, but this letter will be submitted for their information.

2. In the meantime the Collector will be good enough to furnish the report called for in Board's Proceedings, dated 16th December 1870, No. 7,162.

No. 269. ORDER THEREON, 20th March 1871, No. 490.

Miscellaneous.

THE Government desire that the Acting Collector of North Arcot will call on the Zemindar to elect within a reasonable time for consideration between the partial transfer of his estate to the Chingleput District as proposed by Mr. Thornhill, or its complete transfer as proposed by Government.

My dear Mr. Collector
I have the honor to acknowledge the receipt of your letter of the 20th inst. in relation to the proposed arrangement to transfer the Kanchi Taluk to Chingleput District. The Government are of opinion that the proposed arrangement is not expedient. The Kanchi Taluk is a Police point of view as it would tend
